DIY BOOKMARK

Make your own bookmark to mark your favorite activities in this book!

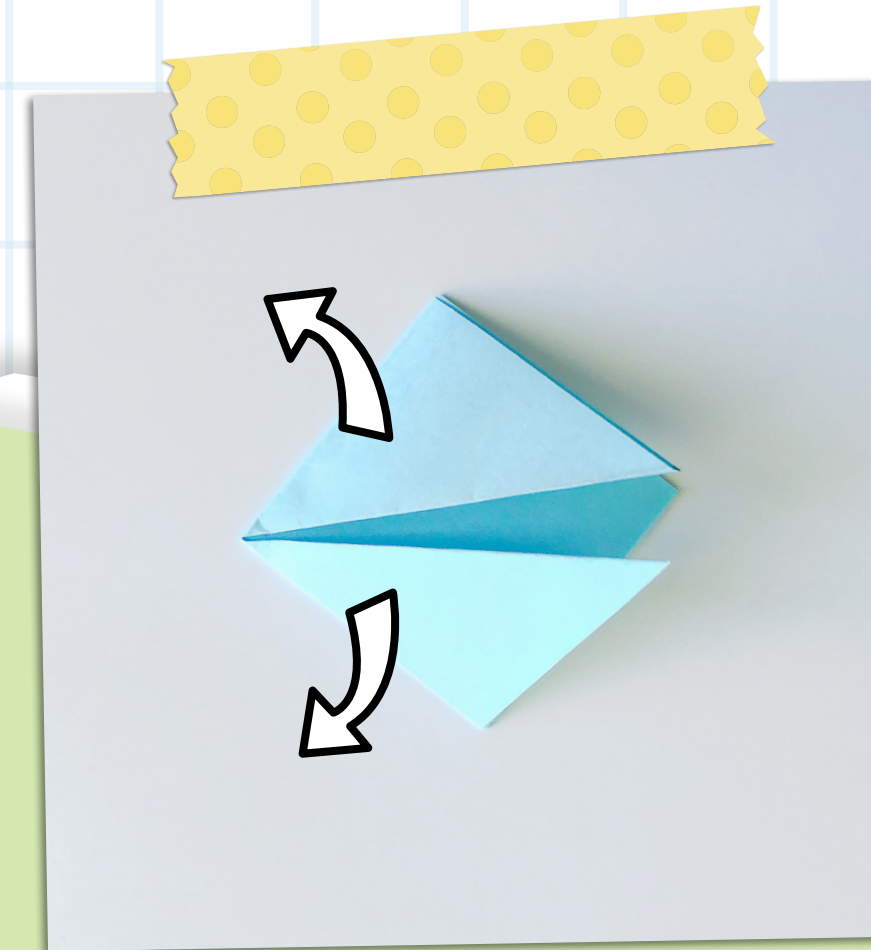

activity

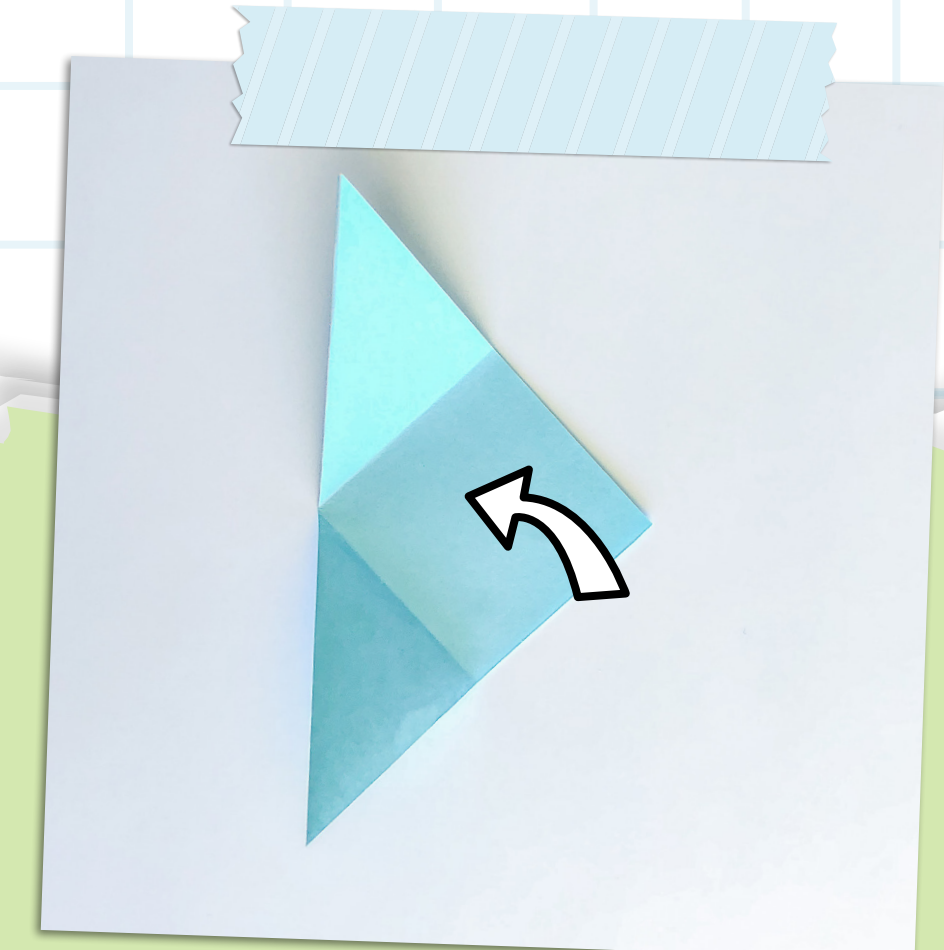

STEP 1: Start with a 3-inch square piece of paper.

STEP 2: Fold square in half, forming a triangle with one longer side.

STEP 3: Fold the two corners of the longer side in towards the other so that all corners touch.

STEP 4: Unfold.

Continue to next page ...

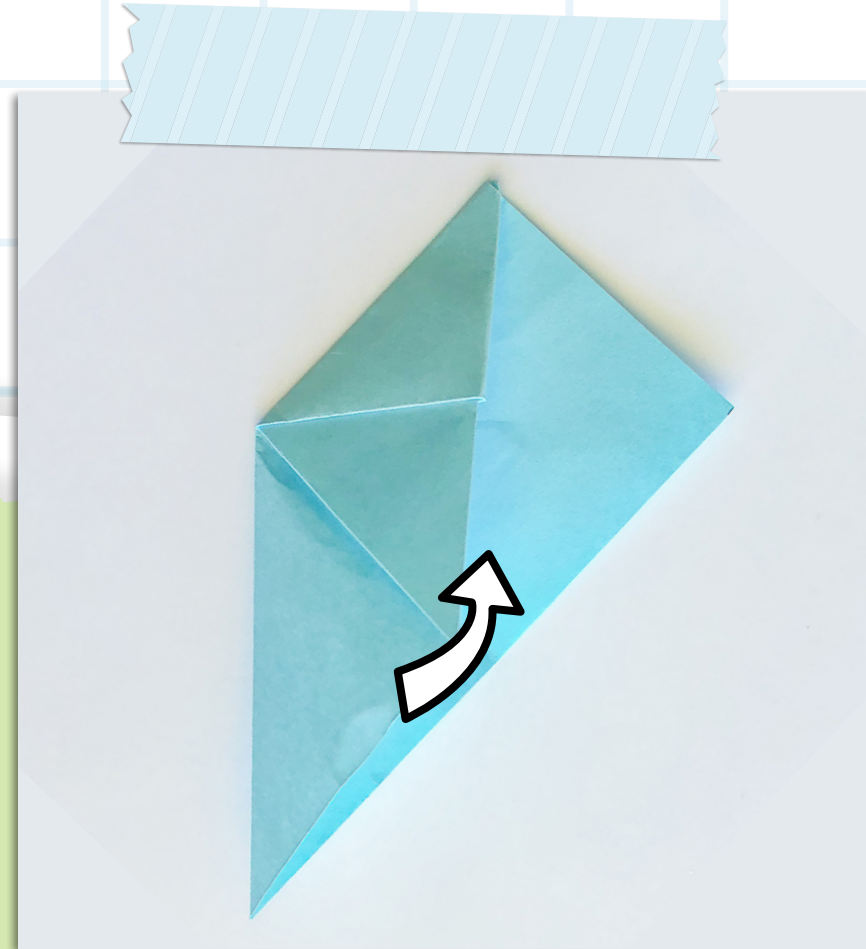

DIY BOOKMARK

(Starts on page 3)

activity

STEP 5: Fold the top layer of the center corner of the triangle in so that the corner touches the opposite edge.

STEP 6: Fold top left corner down over the previous fold, and tuck underneath.

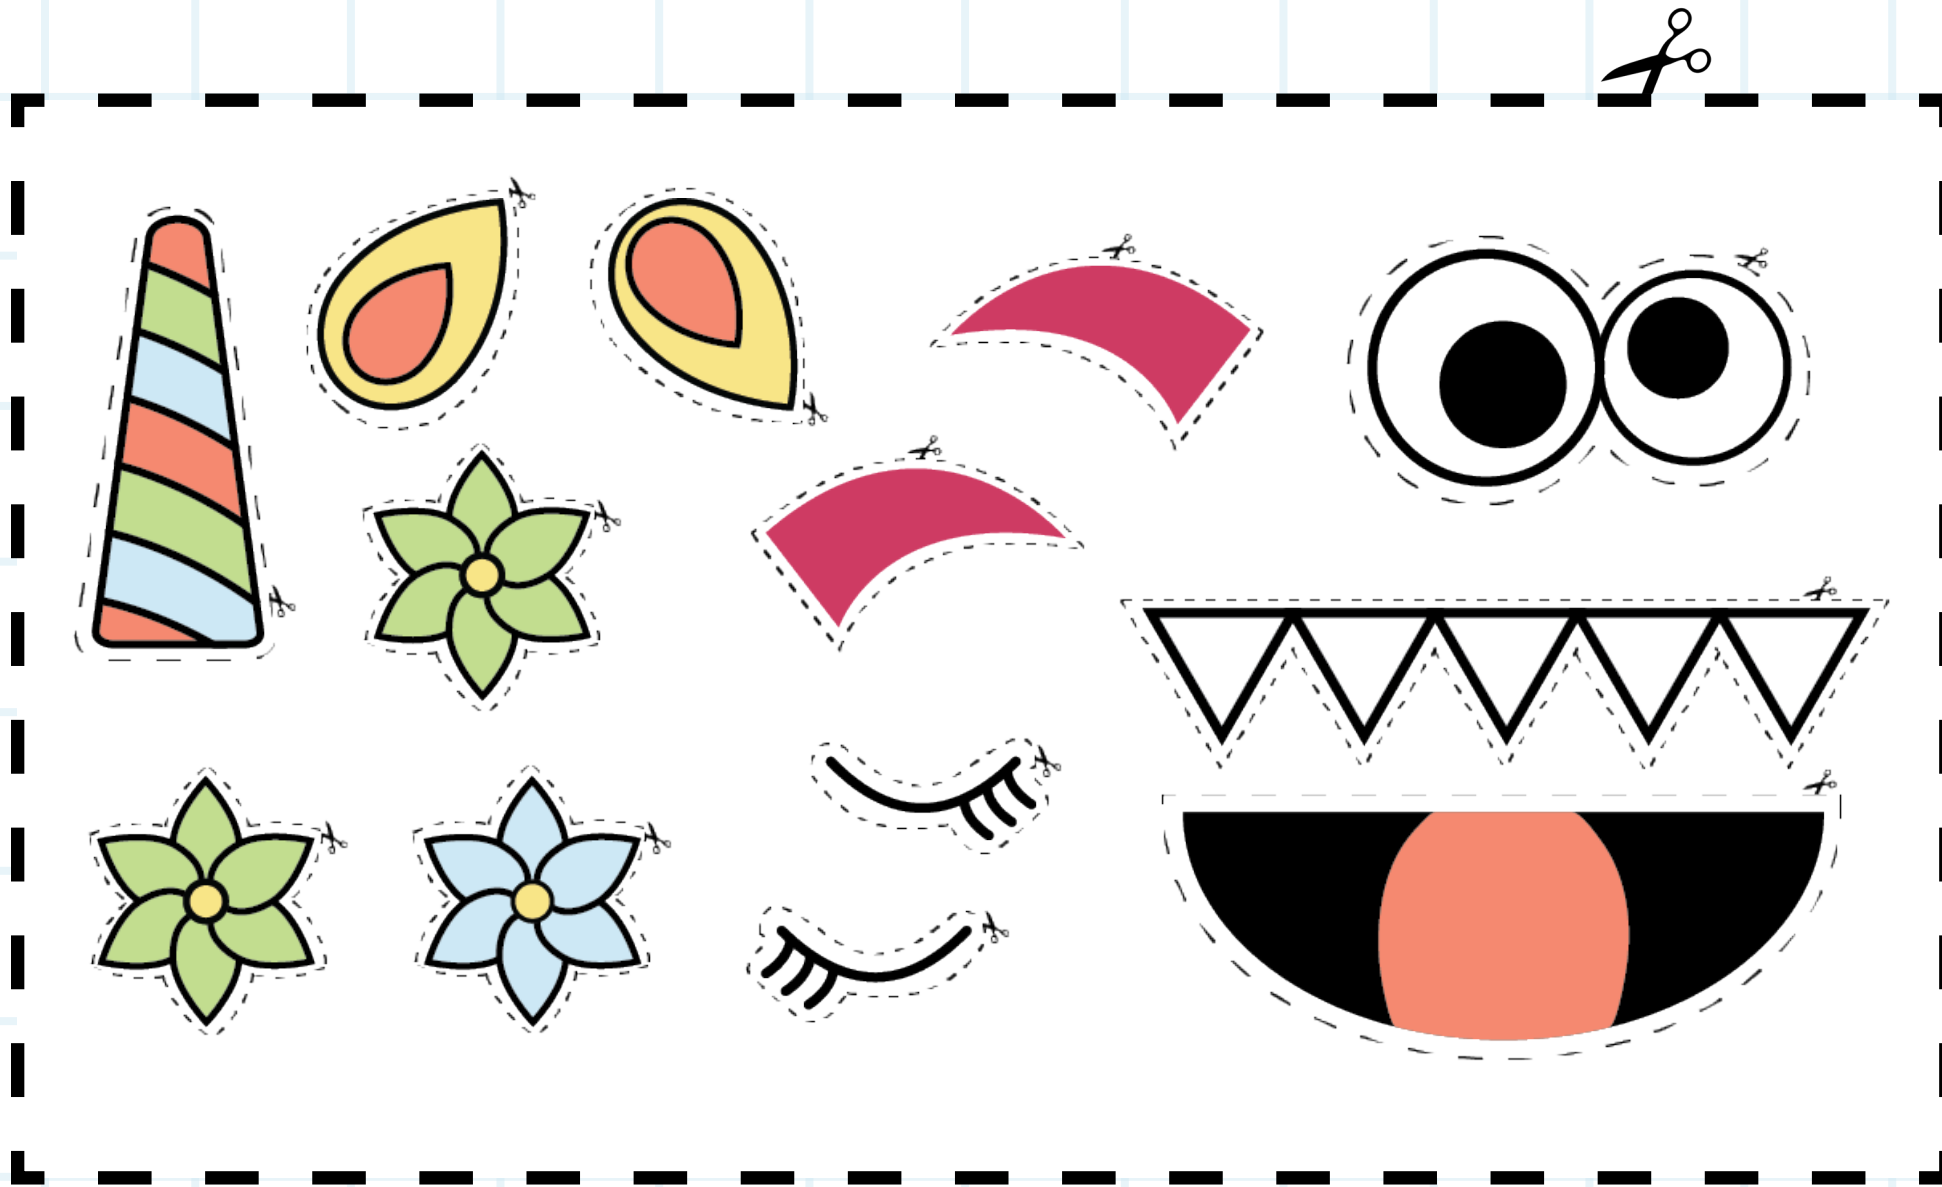

STEP 7: Repeat last step with bottom fold, and your bookmark is complete!

STEP 8: Decorate! (Optional design cut-outs on next page).

DIY BOOKMARK

Cut out, arrange, and glue the designs below to your new bookmark!

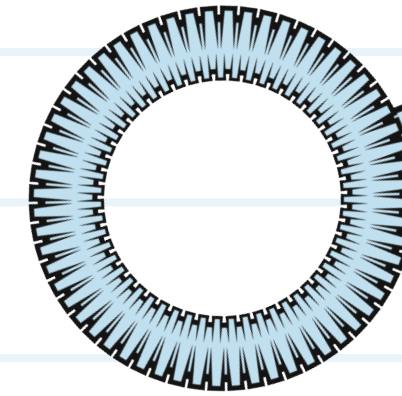

activity

OPTIONAL ARRANGEMENT IDEAS

BUBBLE ART

Make your own moldable sand with just a couple simple ingredients!

activity

STEP 1: Gather bubbles, food coloring, and white paper.

STEP 2: Pour a small portion of the bubbles into 3 or more different bowls, and add one color of food coloring to each.

STEP 3: Use the colored bubble mixtures to blow different colors of bubbles onto paper.

STEP 4: Watch as the bubbles pop on your paper, creating a work of art!

WACKY SPINNERS

These DIY spinners will send your eyes spinning!

activity

STEP 1: Gather cardboard, printer paper, string, scissors, glue or tape, and markers.

STEP 2: Cut 2 circles out of your cardboard, then trace onto your paper, and cut out.

STEP 3: Use your markers to create a colorful design on each paper circle.

STEP 4: Glue the colored circles onto the cardboard circles, and poke 2 holes in the center.

Continue to next page ...

WACKY SPINNERS

(Starts on page 13)

activity

STEP 1: Lace the string through both holes, and tie a knot at the end.

STEP 2: Pull the string so you have the same on each side of the circle spinner.

STEP 3: Spin the spinner until the string is tight and then pull each side.

STEP 4: Watch how it spins! Time to design another mesmerizing spinner!

TWO-INGREDIENT MOON SAND

Make your own moldable sand with just a couple simple ingredients!

activity

STEP 1: Gather your supplies. You will need 4 cups of flour, 1 cup of baby oil, a large bowl, and molds for packing.

STEP 2: Combine the flour with the baby oil, and mix until fully combined. It should be a crumbly and soft texture.

STEP 3: Enjoy playing with your moon sand! Use your molds to pack with sand and form different shapes.

STEP 4: When finished playing, store in a plastic container or resealable bag for later use.

GALAXY JARS

Bring the wonder of the galaxies to your home with this easy craft!

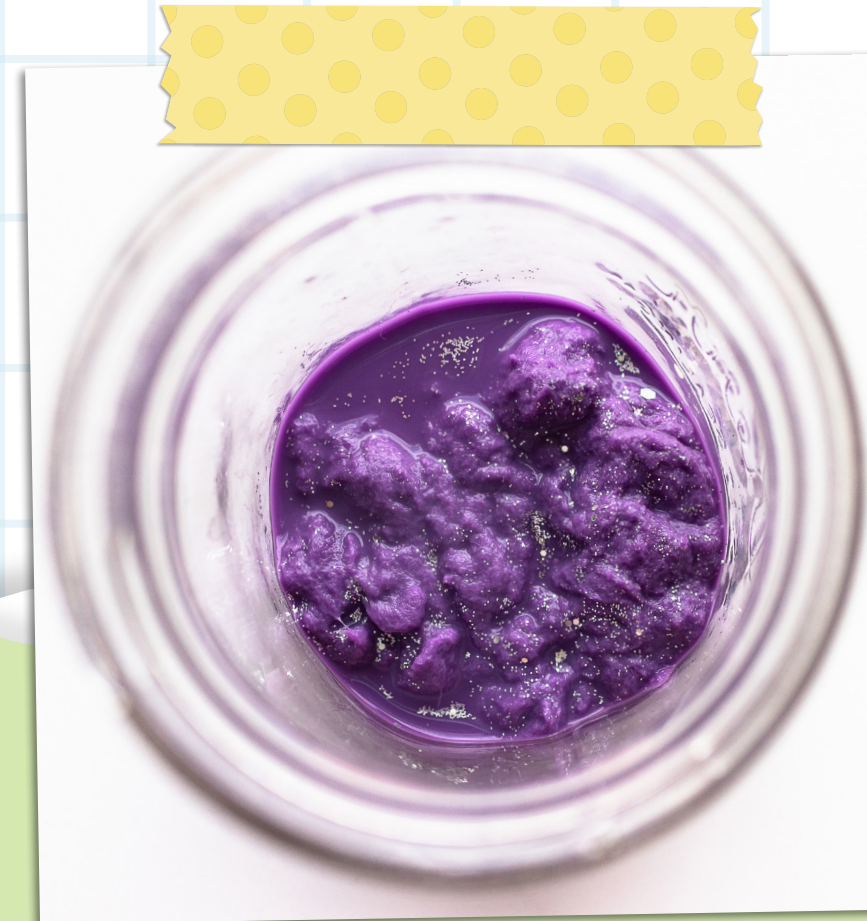

activity

STEP 1: Gather a mason jar, paint (at least 2 colors), glitter, cotton balls, a stick or plastic spoon, and plastic cups.

STEP 2: Spread your cotton balls apart with your fingers and place them inside the jar until they reach the desired height for the first layer.

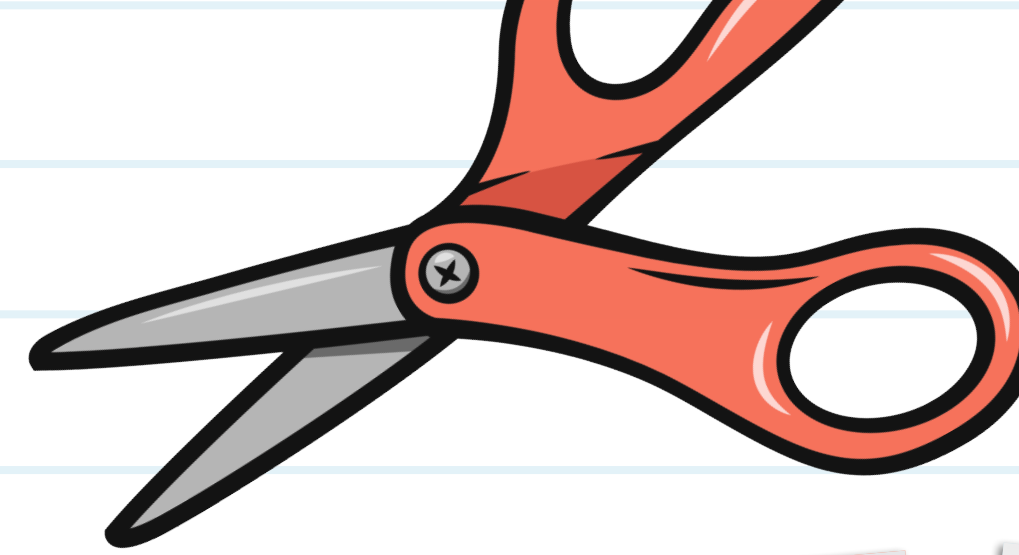

STEP 3: Sprinkle in glitter. Mix 4-5 drops of paint with water in a plastic cup. This should cover the first layer. Pour over the cotton balls.

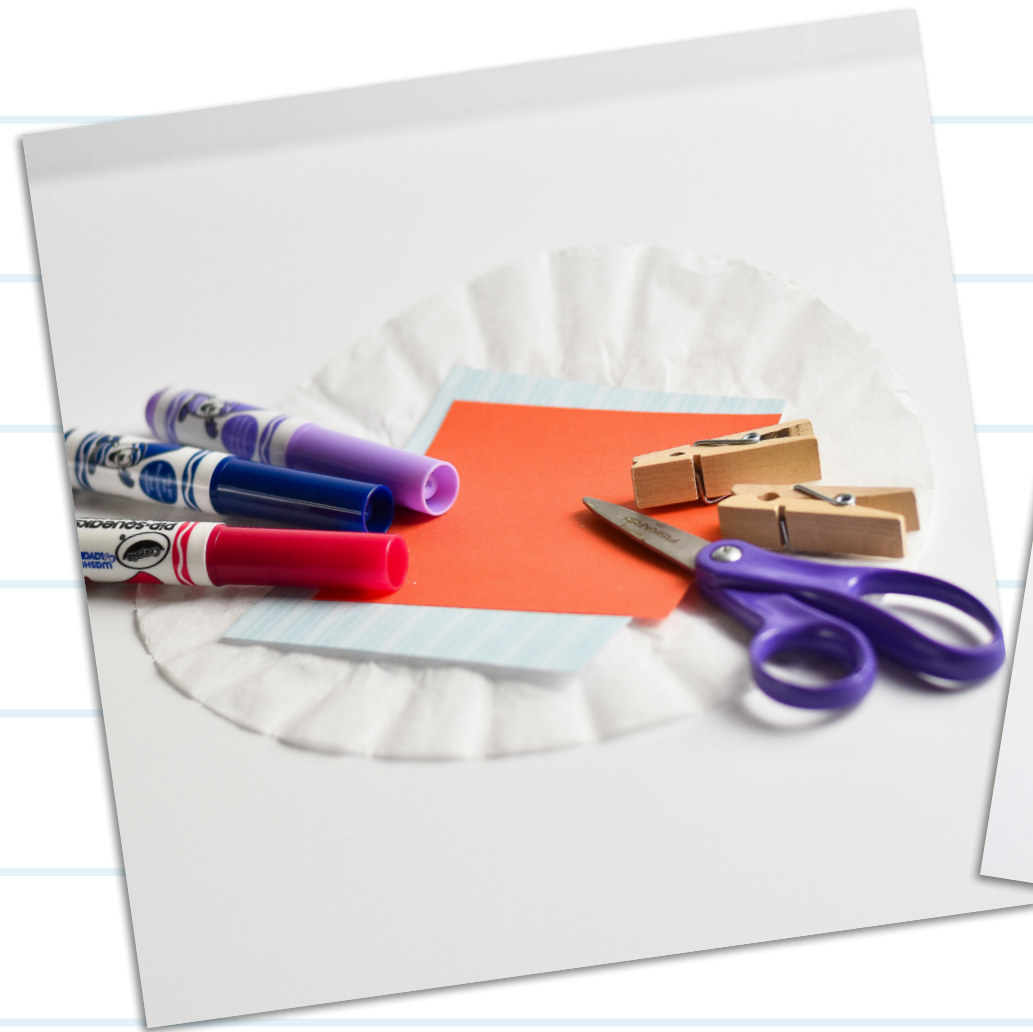

STEP 4: Repeat steps 2-3 until your jar is full. Secure the lid, and decorate jar if desired.

COFFEE FILTER PEACOCKS

Strut your creative skills with this colorful peacock craft!

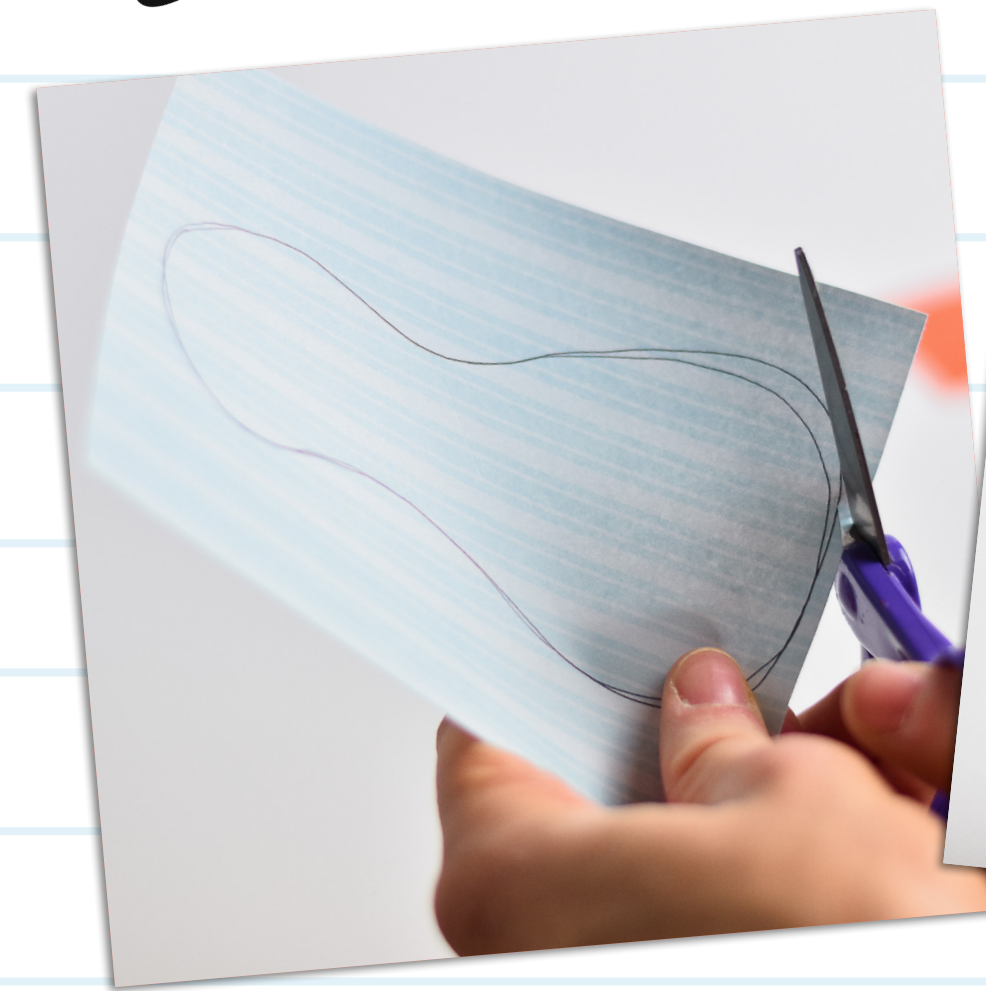

activity

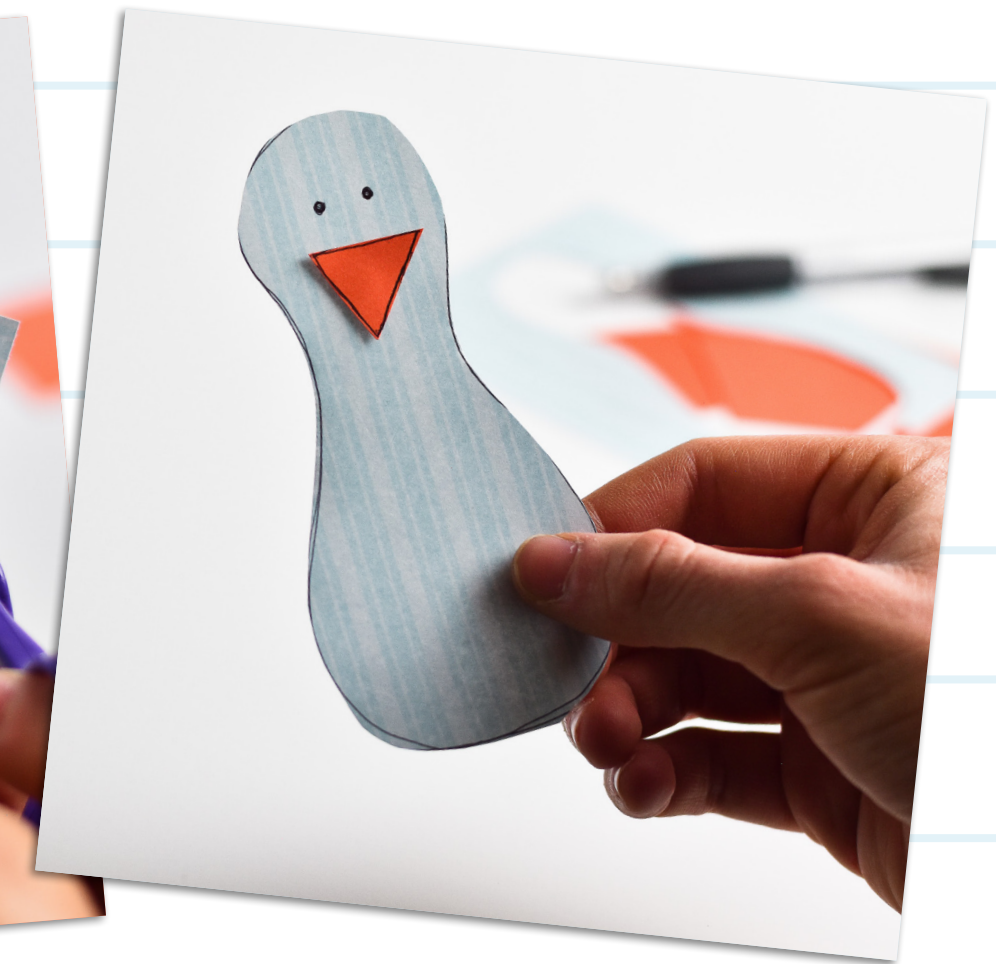

STEP 1: Gather a coffee filter, markers, spray bottle, 2 clothes pins, colored paper, scissors, a pen, and an adhesive.

STEP 2: Using your colored paper and a pen, draw a peanut shape on one paper and a triangle on another.

STEP 3: Cut out your drawn shapes, creating the body and beak of the peacock.

STEP 4: Adhere the beak to the body using any adhesive, and draw two eyes above the beak.

COFFEE FILTER PEACOCKS

(Starts on page 22)

activity

STEP 1: Use colored markers to decorate the coffee filter. The more colorful, the better!

STEP 2: Use spray bottle to soak coffee filter.

STEP 3: Allow the soaked filter to rest in a dry place until completely dry, then use 2 clothes pins to attach the peacock body made earlier.

STEP 4: Shake your tail feathers! Your colorful peacock creation is complete!

FAIRY LAMPS

Who knew magic could be so simple!

activity

STEP 1: With an adult, gather glow sticks, clear jars, glitter, and knife or pair of scissors.

STEP 2: Have an adult carefully cut the top of two glow sticks of the same color. and pour the glowstick into a jar.

STEP 3: Add as much glitter in as many colors as you'd like into the jar.

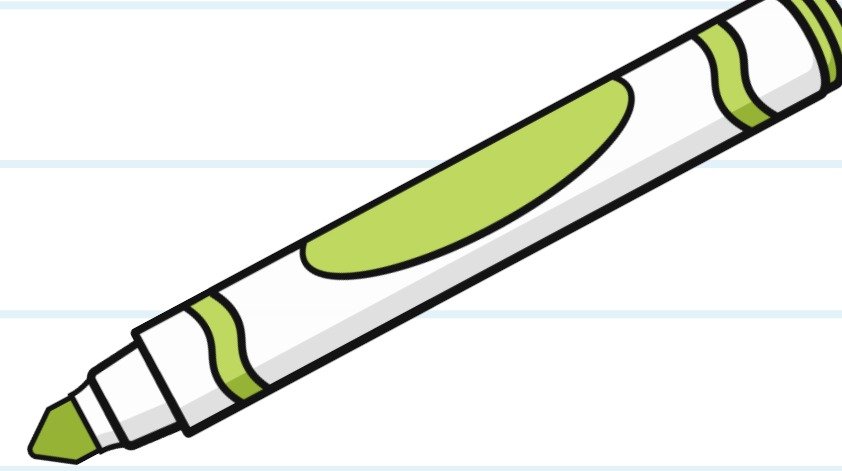

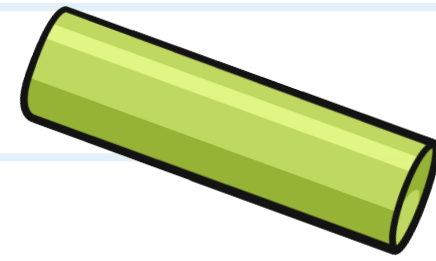

STEP 4: Secure the lid, and shake well. Then, turn the lights off and be amazed at your new fairy lamp!

FINGER PUPPETS

Put on a show with your personalized finger puppets!

activity

STEP 1: Gather supplies. You will need paper, a pen or pencil, scissors, and colorful markers or crayons.

STEP 2: Trace your hand on the paper. Color and decorate each finger however you would like.

STEP 3: Cut out each individual finger. Then, cut a strip of paper to make a loop around your finger. Secure loop to the back of paper finger with tape.

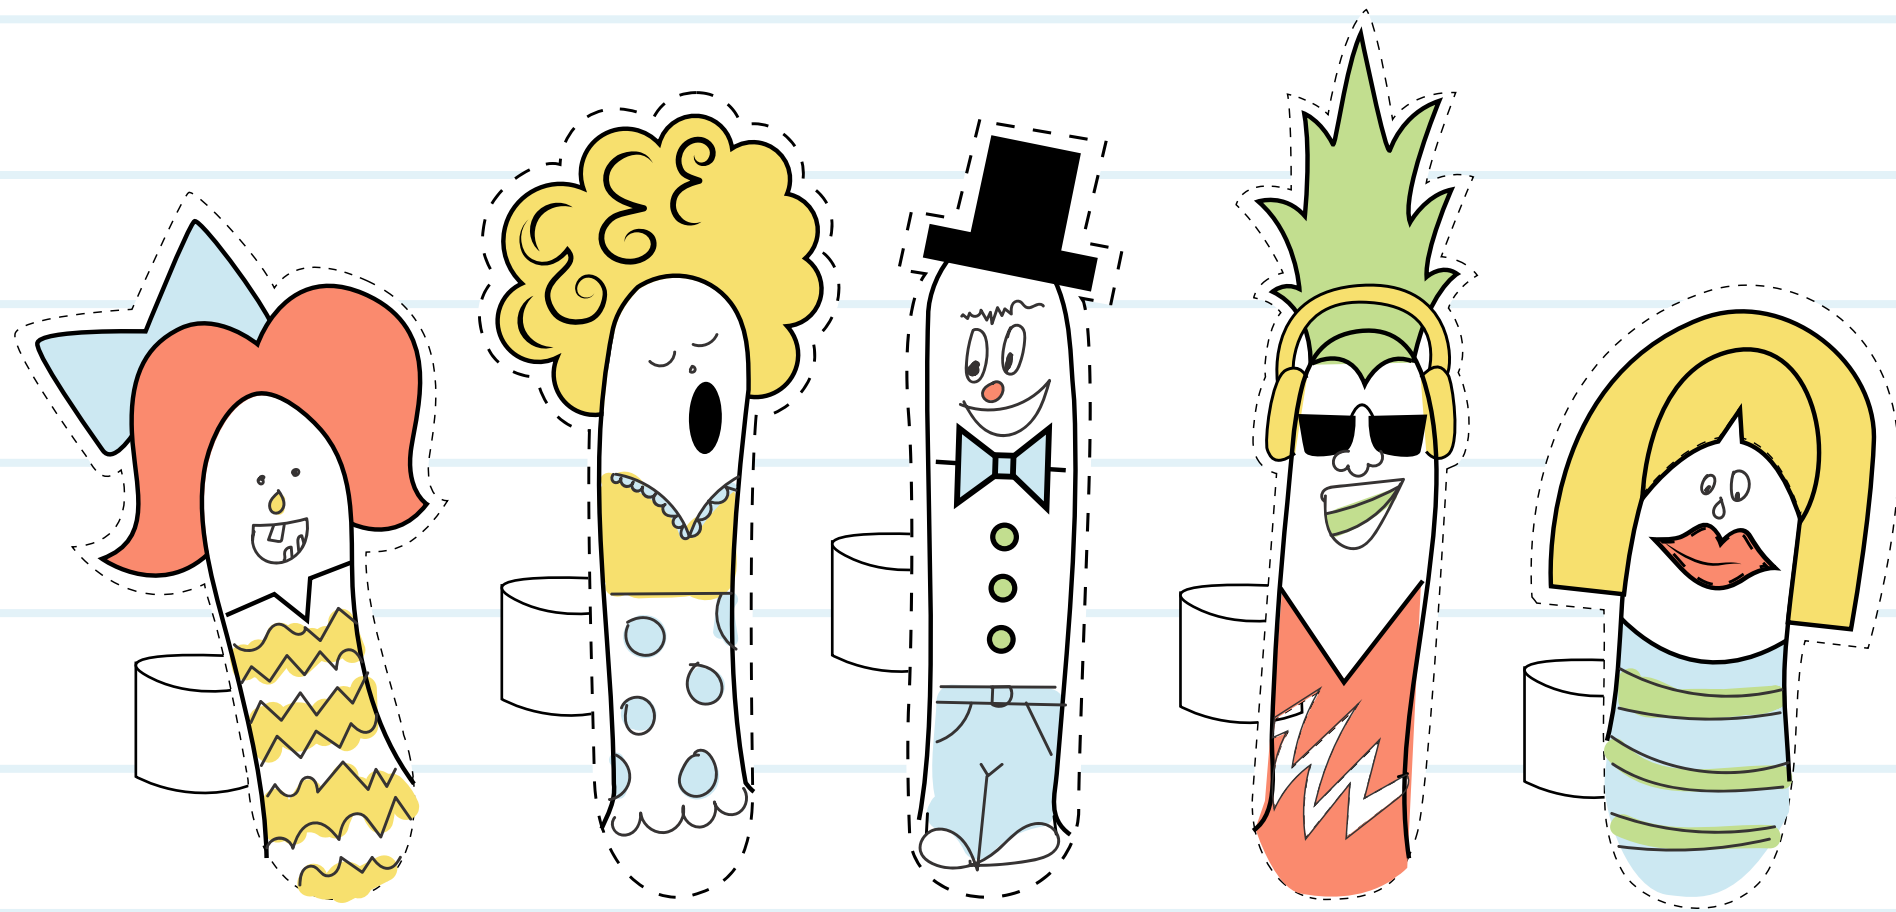

STEP 4: Slip finger into loop and put on your own puppet show. If you're feeling especially creative, you can create your own paper theater as well!

FINGER PUPPETS

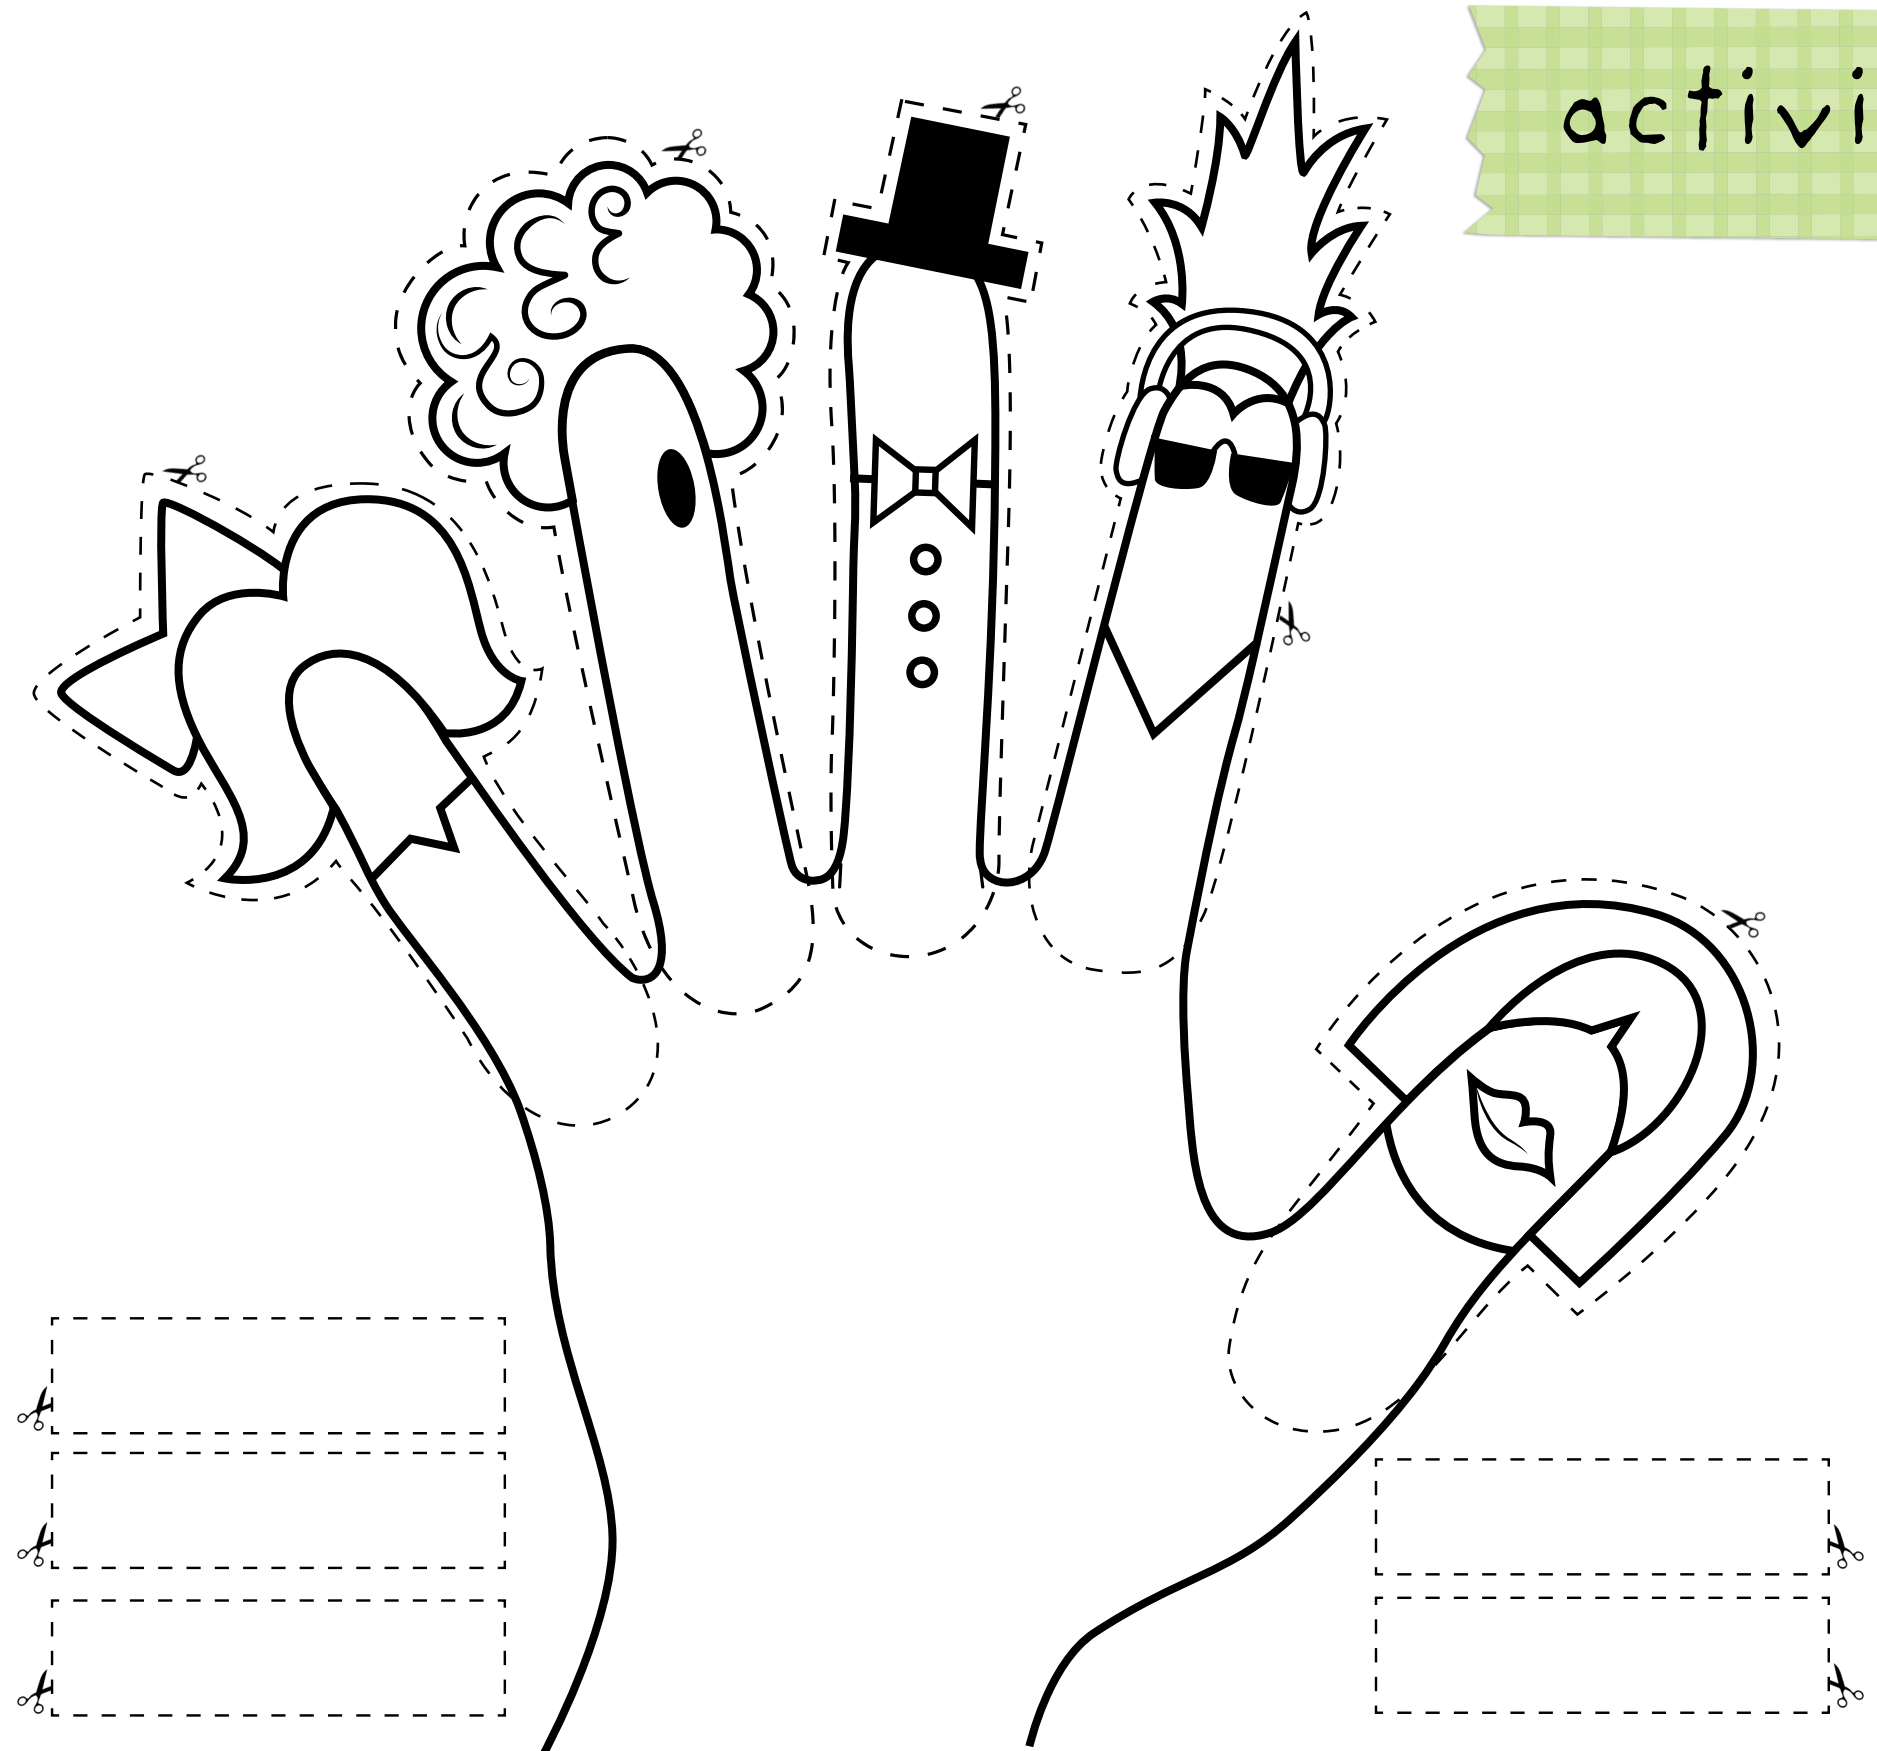

(Starts on page 27)

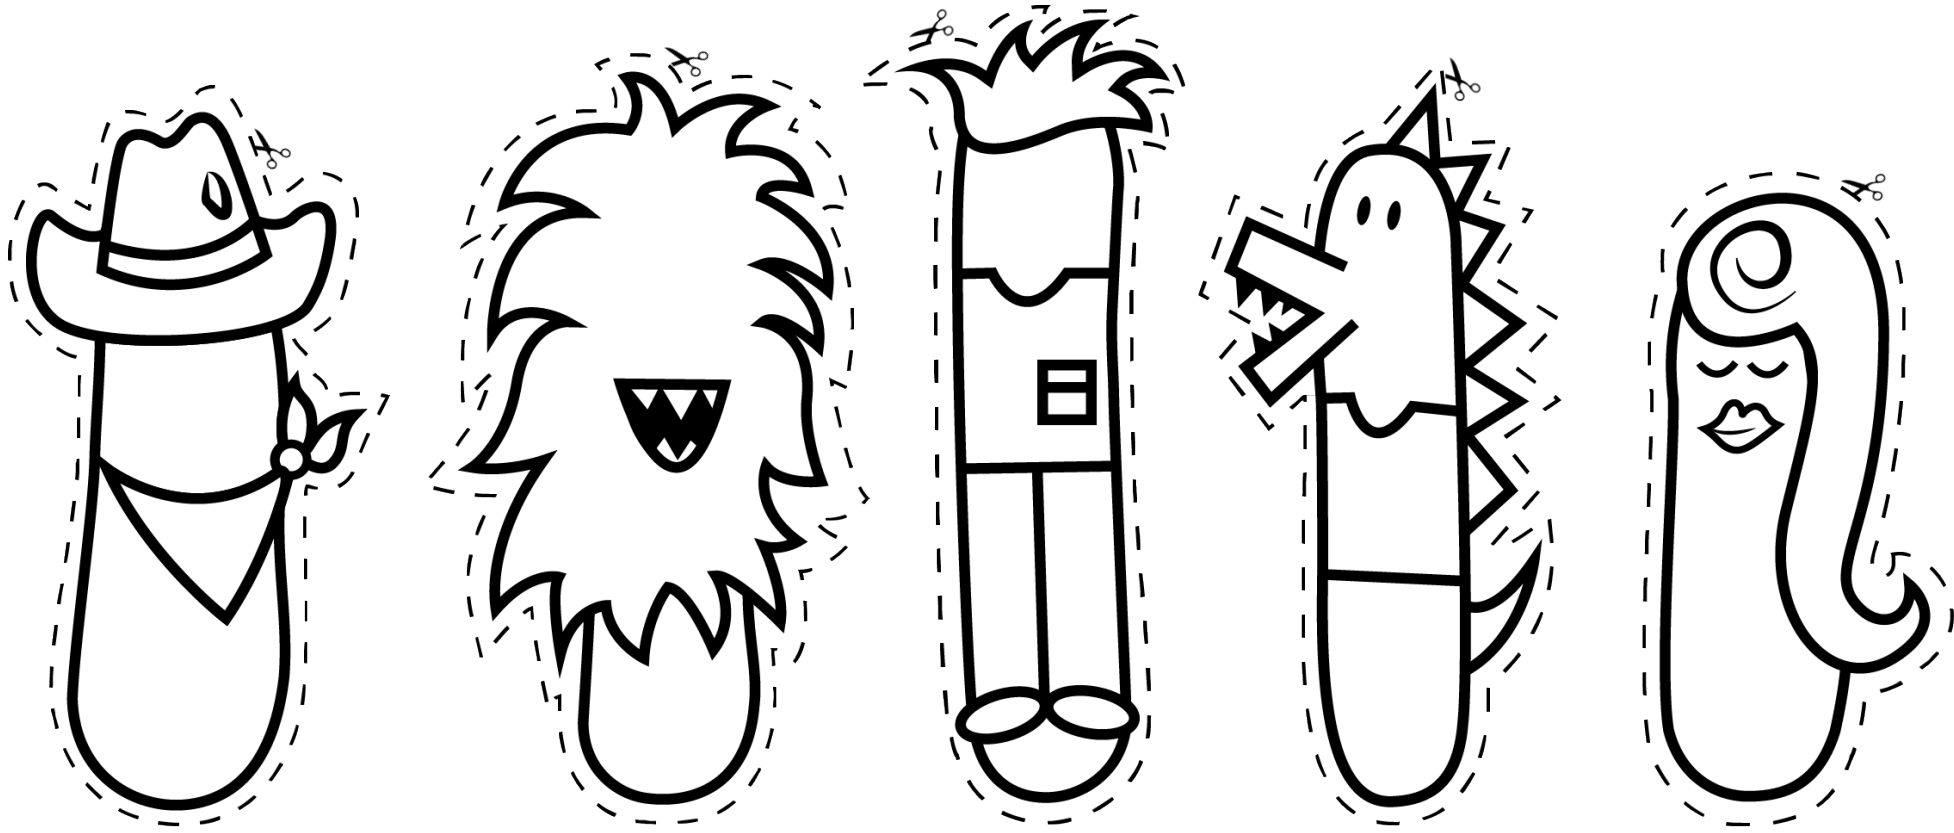

These characters are missing some color and features!

Finish them up, and add them to your collection. Follow the instructions on the previous page to complete them.

activity

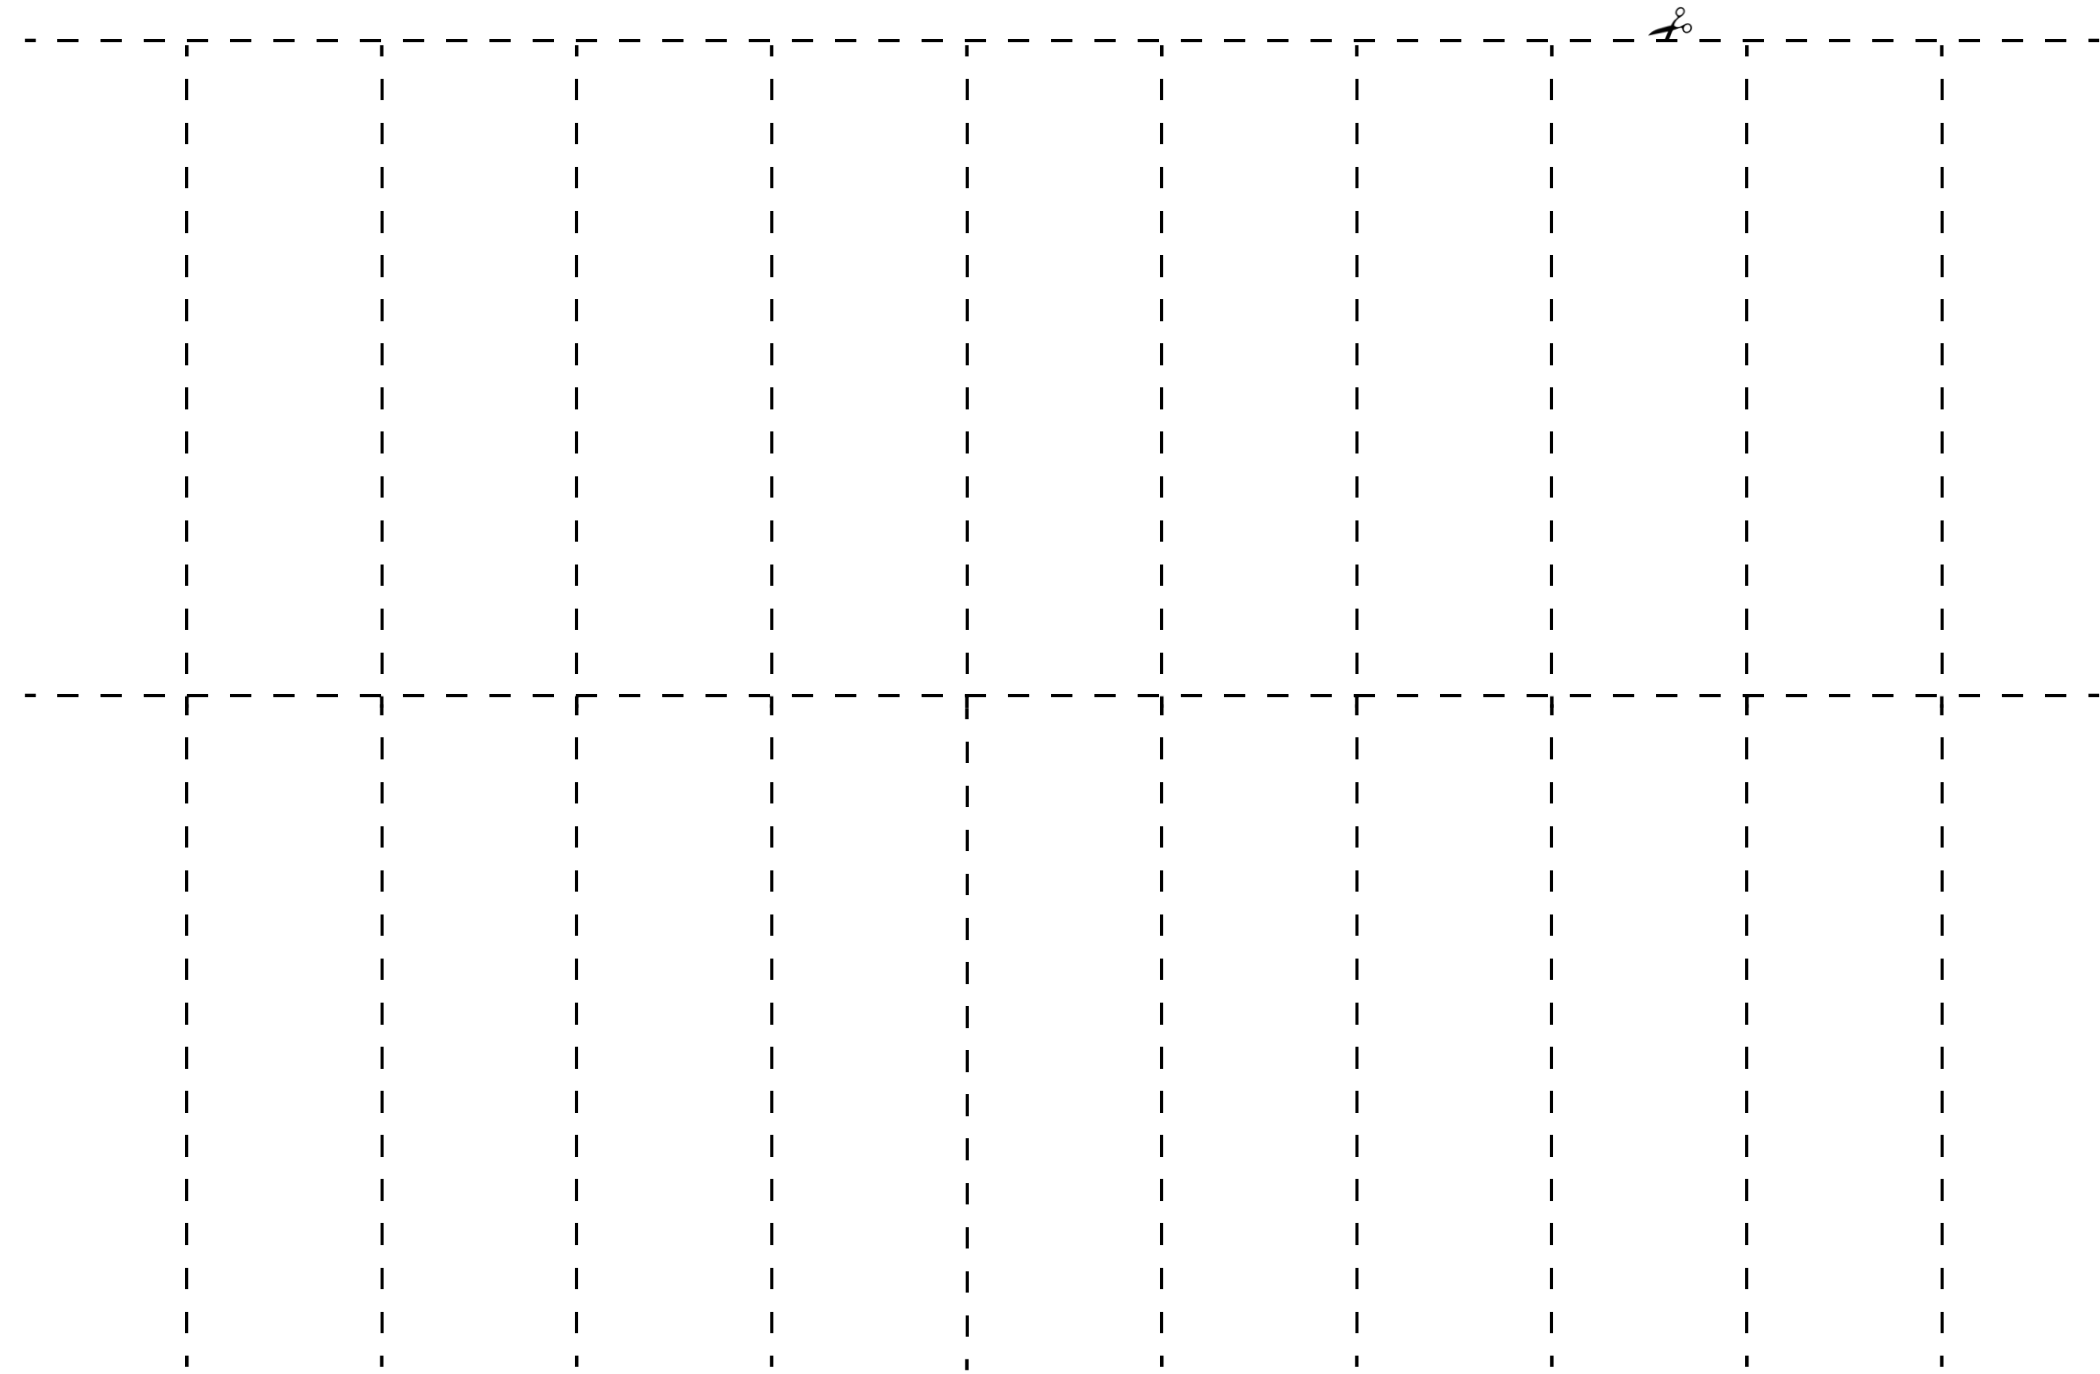

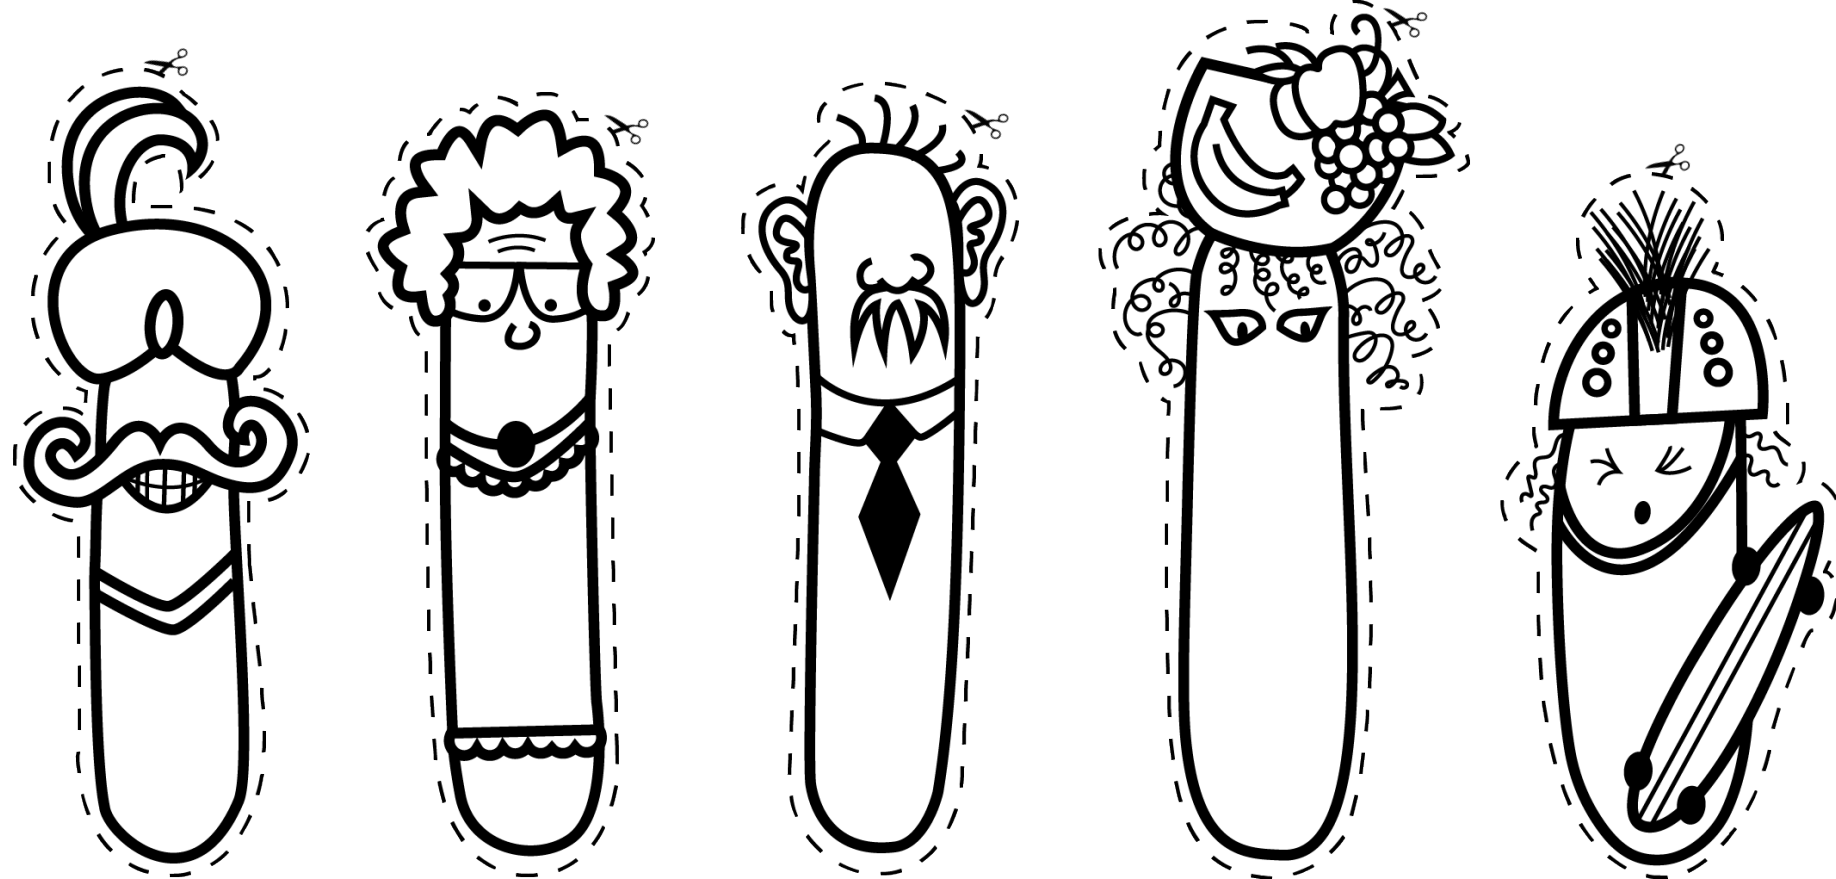

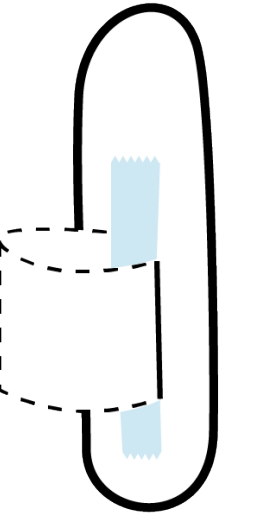

Color in the puppets
and draw in the
missing features.

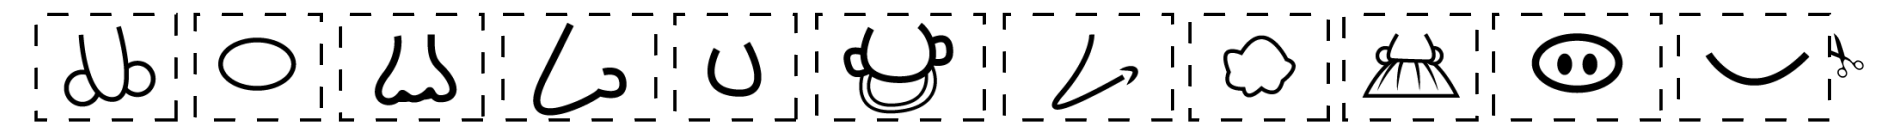

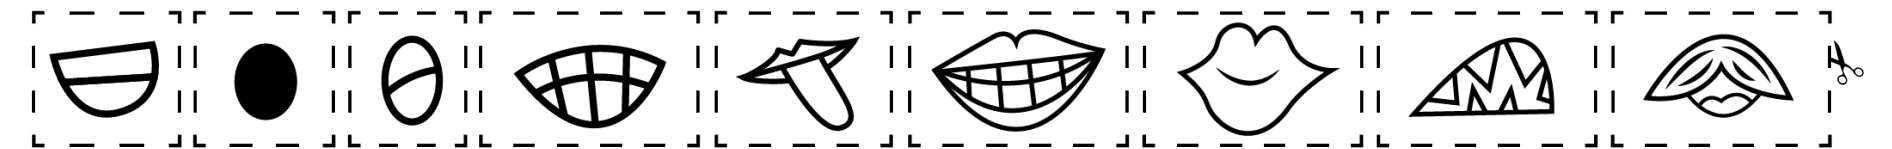

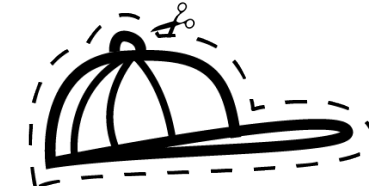

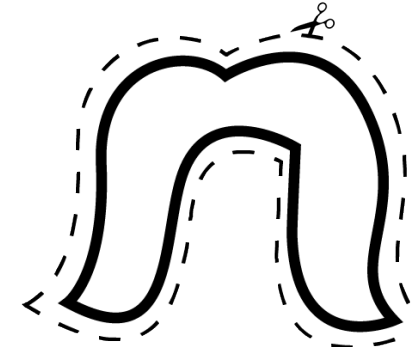

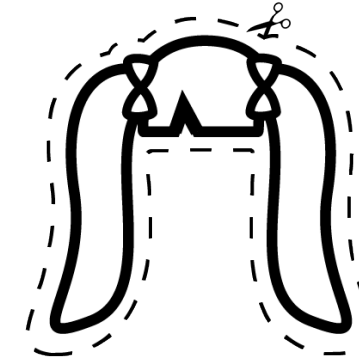

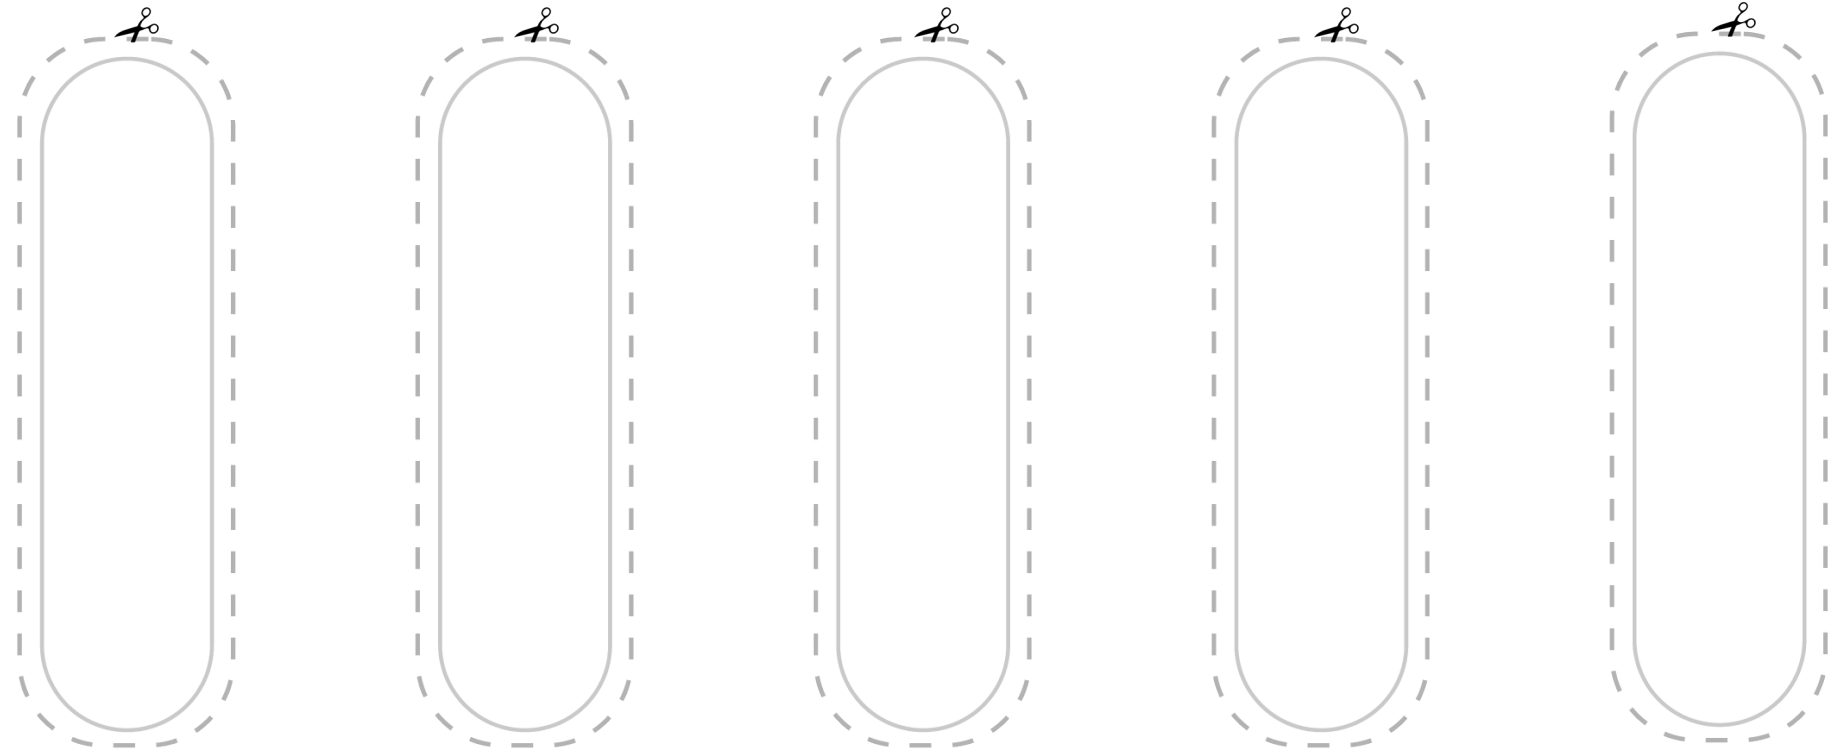

Cut out the strips
below and secure
to the back of each
puppet with tape.

FINGER PUPPETS

Pick and choose how you want your puppets to look!

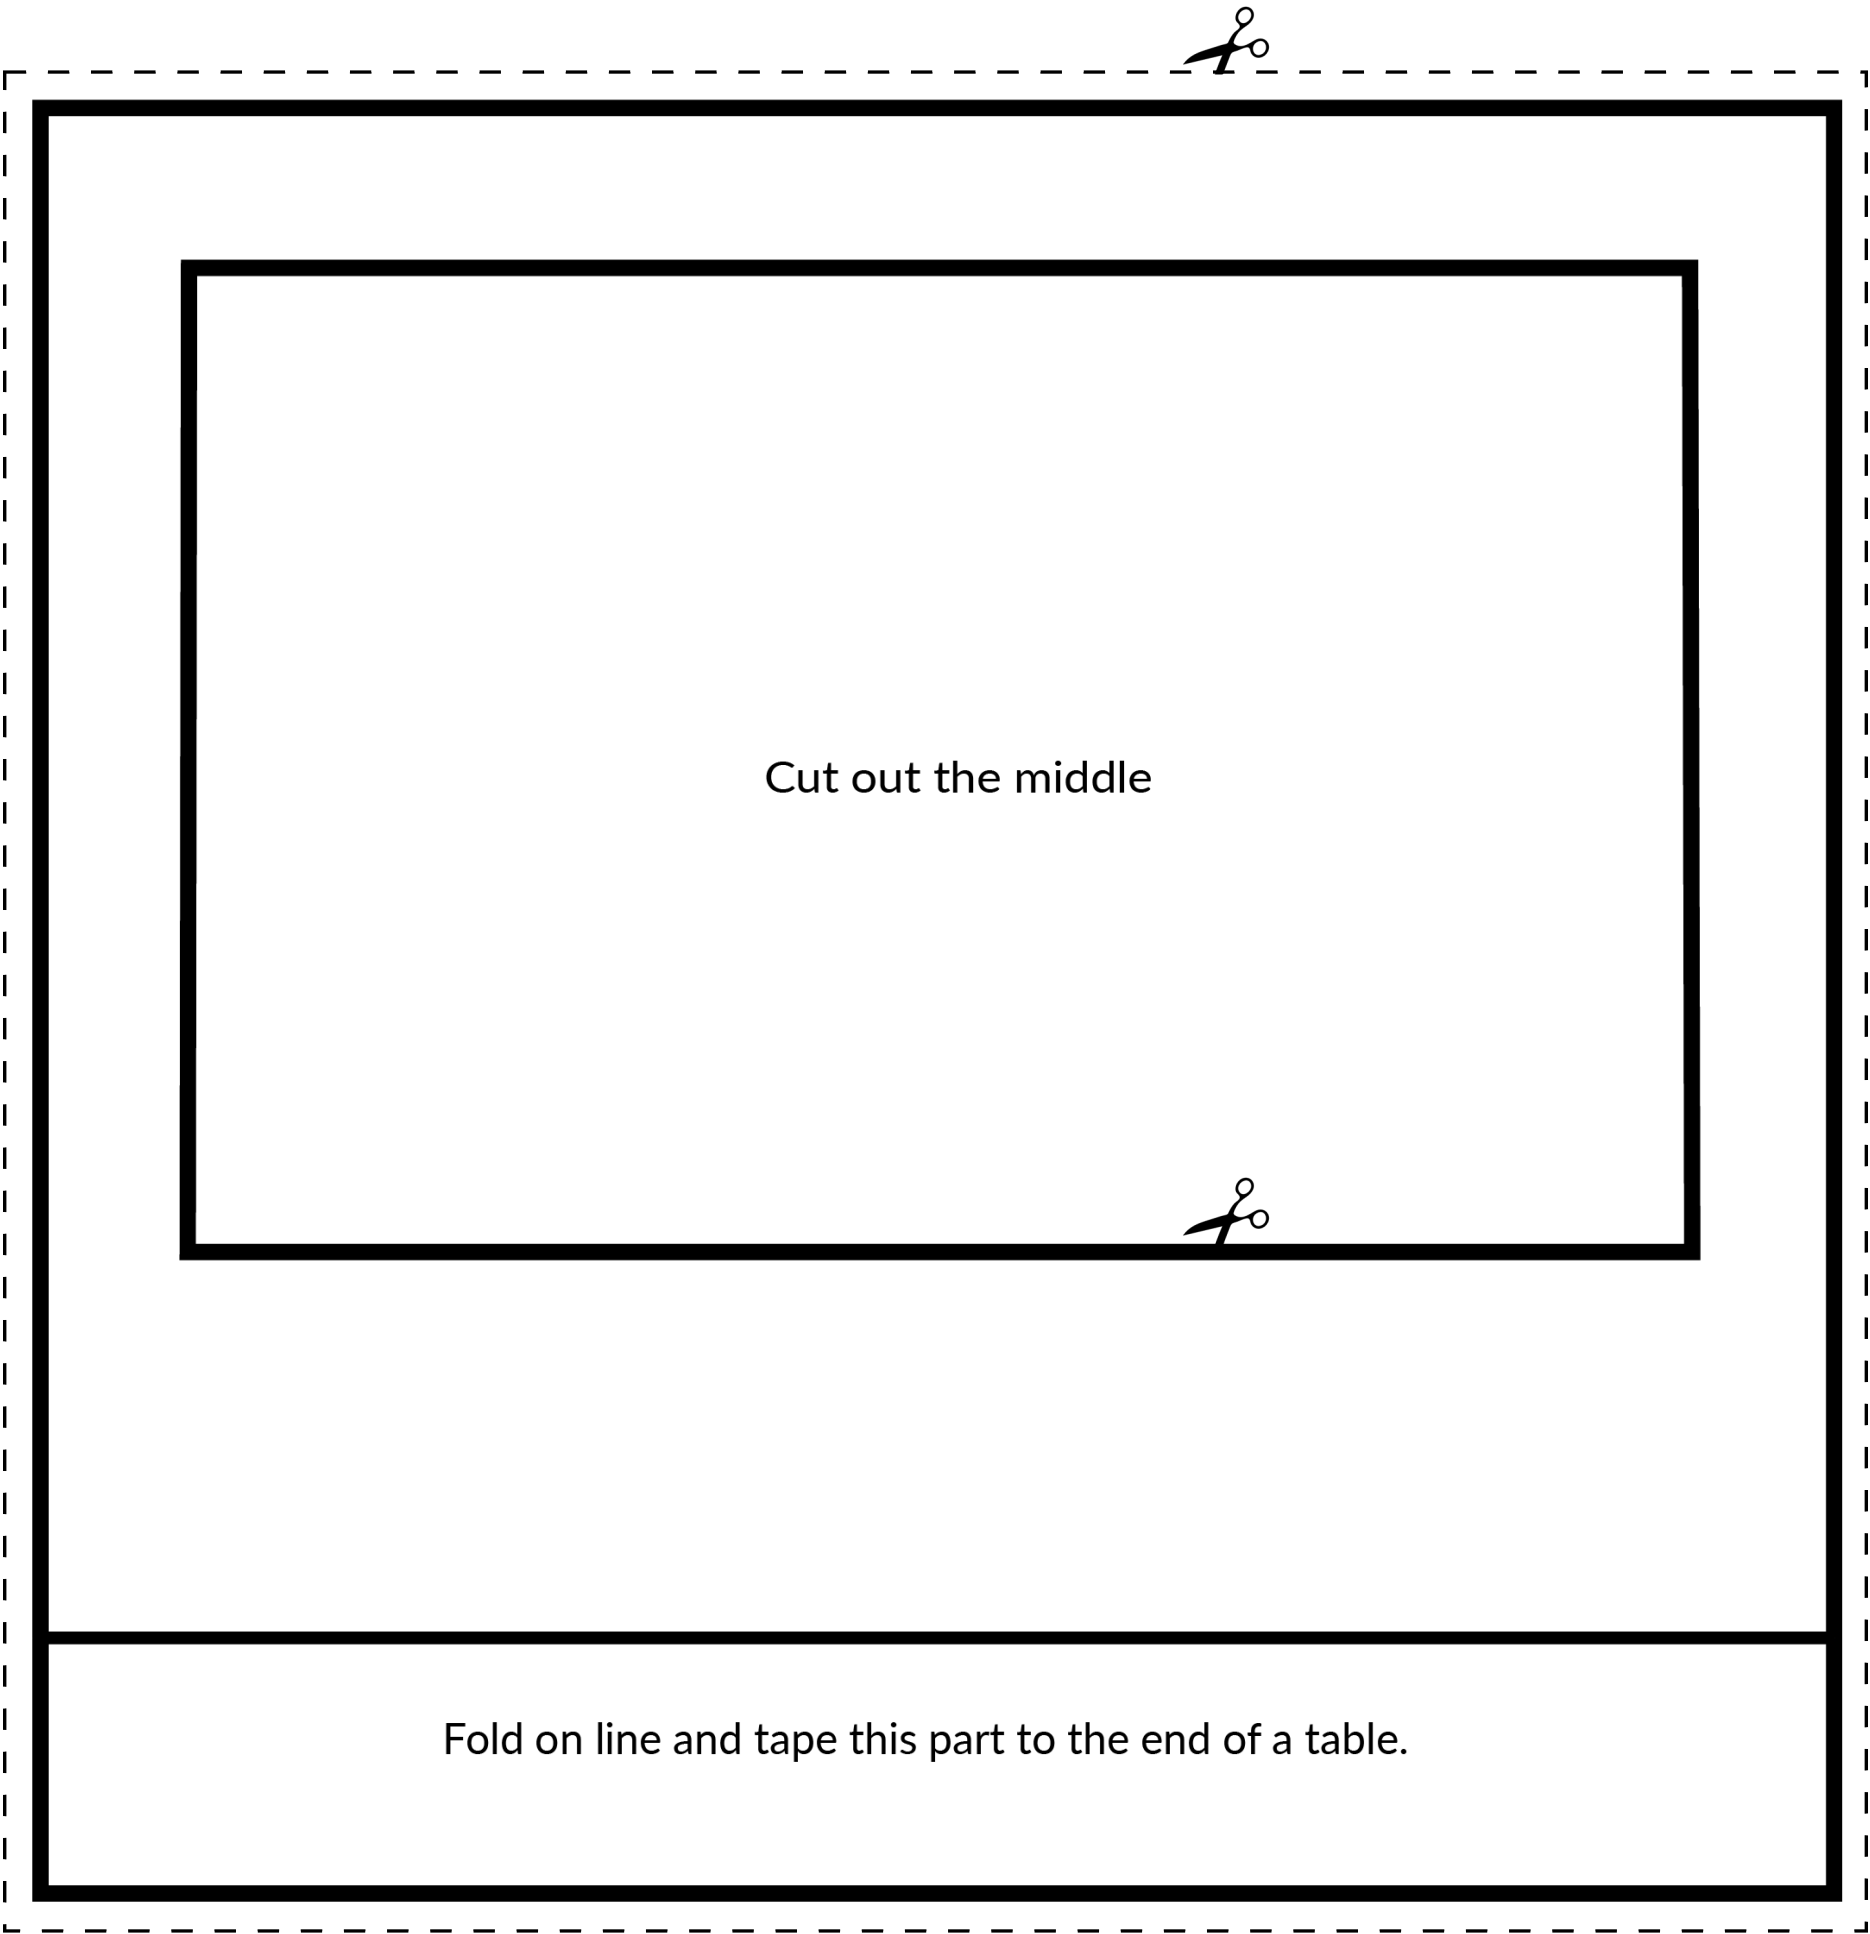

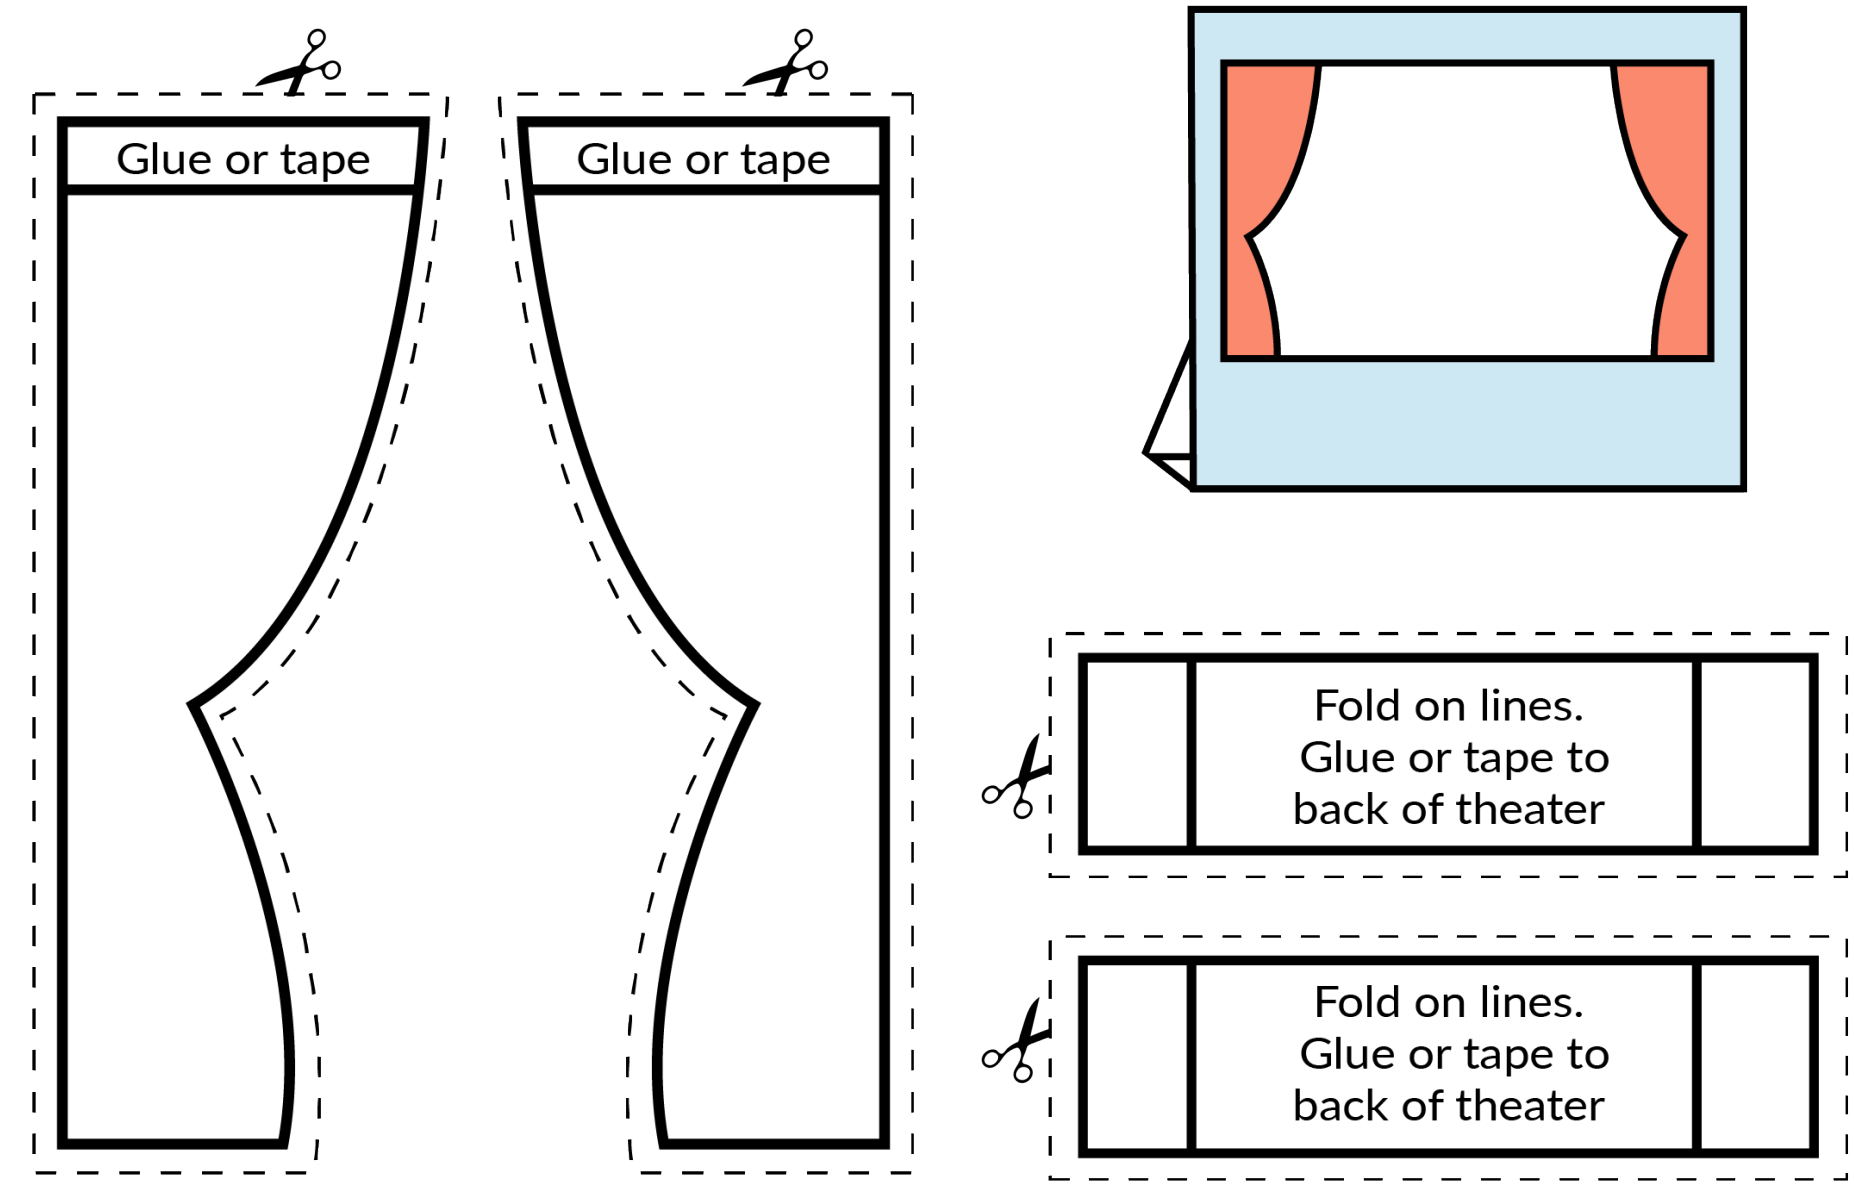

Cut out the features you want and glue them onto the blank templates. Follow the instructions on the previous page to complete them.

PUPPET THEATRE

Put on your own show!

Decorate and then cut out each section of the theater. Fold the bottom line of the theater, and tape or glue the two strips on either side on the back of the theater for support.

FIREWORKS IN A JAR

A safe and fun way to enjoy fireworks within your home!

activity

STEP 1: Gather a jar $\frac{2}{3}$ full of warm water, food coloring, a small bowl, a fork or toothpick, and vegetable oil.

STEP 2: Add 3 tablespoons vegetable oil and 2-3 drops food coloring into bowl. Mix with toothpick or fork until small beads of color develop.

STEP 3: Pour oil and food coloring mixture into the jar of water. Be careful not to spill. Use a funnel if needed.

STEP 4: As the oil settles on top of the water, the food coloring will begin to fall out of the oil creating a fireworks effect!

SIDEWALK CHALK PAINT

Take your chalk art skills to the next level with this diy chalk paint!

activity

STEP 1: Gather 3 cups cornstarch, 3 cups water, food coloring, a muffin tin, and a large paintbrush.

STEP 2: Mix corn starch with water until smooth, and divide evenly into muffin tin cups depending on the number of colors you intend to make.

STEP 3: Add 2-3 drops of food coloring into each muffin cup. Add more if needed. Stir until fully combined.

STEP 4: Enjoy your homemade sidewalk paint! Stir frequently with the paintbrush to keep colors vibrant.

MAGIC MILK

Repeat this activity for a different reaction every time!

activity

STEP 1: Gather a flat bottomed dish or container, cotton swabs, dish soap, food coloring, and full-fat milk.

STEP 2: Pour milk into the dish to cover the bottom. Drop as many food coloring dots as you would like in the middle of the milk.

STEP 3: Add a small amount of dish soap to the cotton swab, and use it to gently touch the food coloring in the milk.

STEP 4: Watch and enjoy the magic reaction!

LEAF PAINTINGS

In this unique new way to paint, nature is your friend!

activity

STEP 1: Gather leaves, paper, paint, and a paint brush.

STEP 2: Using a paint brush and colored paint, paint the leaves.

STEP 3: Turn the painted leaf over onto a piece of paper, and press down firmly.

STEP 4: Lift leaf, and see the amazing painted leaf that shows up! Allow to dry before displaying your beautiful work of art.

SMUSH PAINTING

Enjoy the fun of finger painting without the mess!

activity

STEP 1: Gather multi-purpose paper, acrylic paint, and plastic wrap.

STEP 2: Add drops of paint all over your paper, randomly.

STEP 3: Carefully place a piece of plastic wrap on top of your paint, and use your fingers to press on top of the plastic wrap and smush the paint.

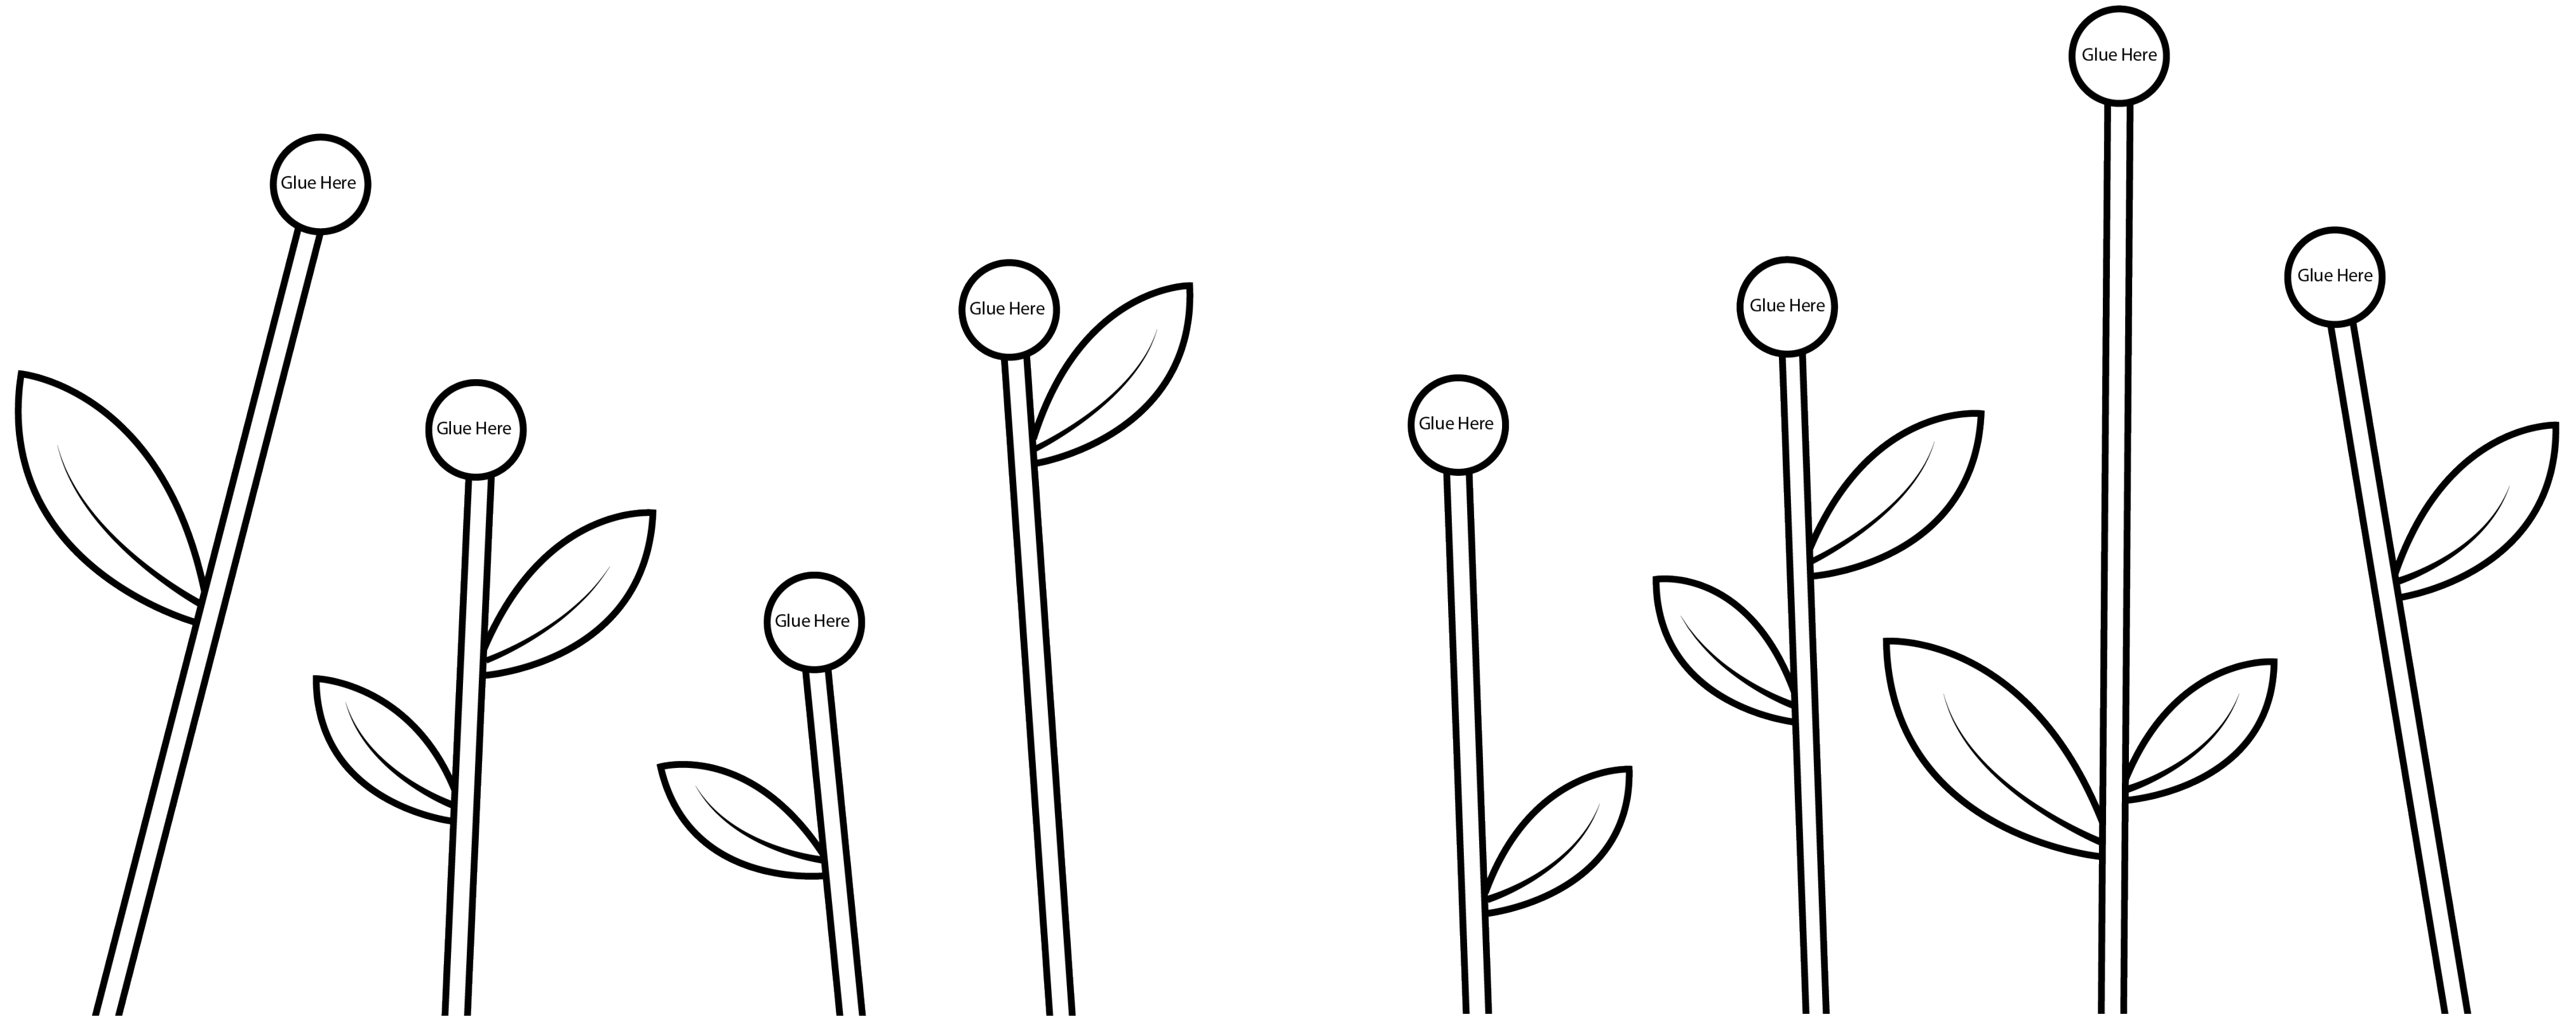

STEP 4: Carefully peel away and dispose of the plastic wrap. Admire your masterpiece! You can hang it up on the fridge or frame it on your wall.

FLOWER GARDEN

Create your very own flowers!

Follow the directions on the next page to create your own garden!

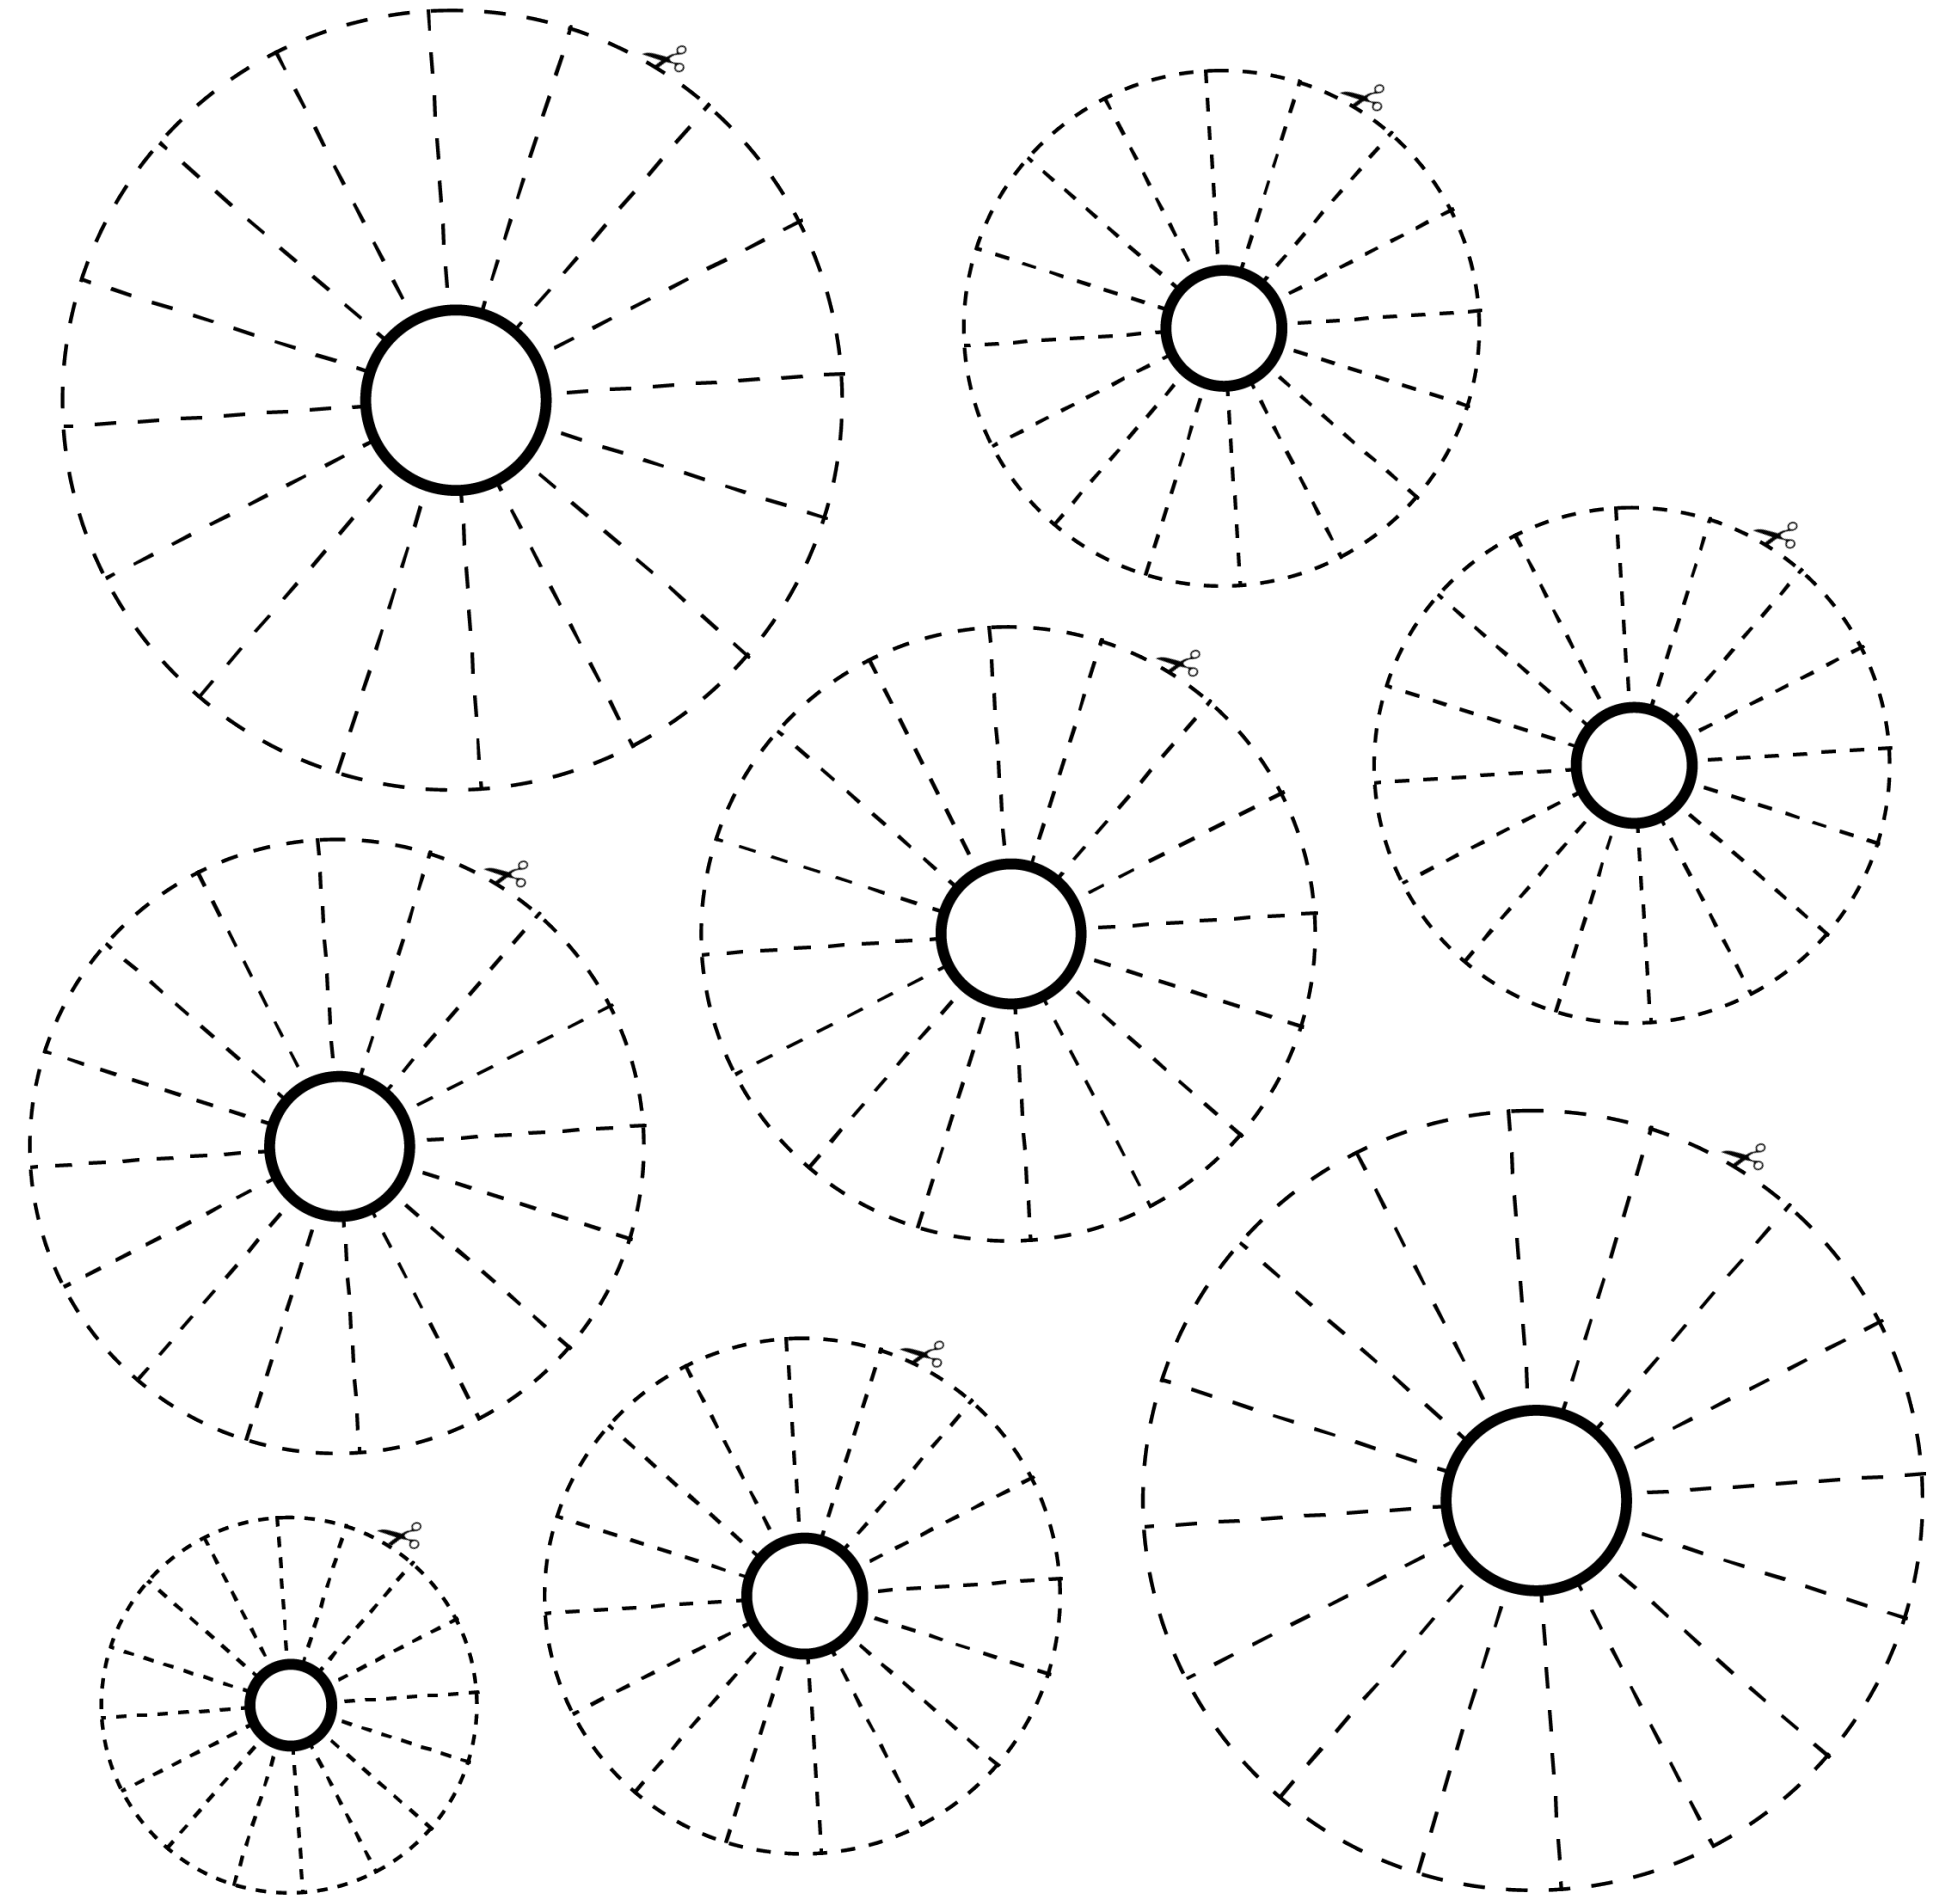

FLOWER GARDEN

(Starts on page 55)

Directions:

1. Color each flower.
2. Cut out flowers by cutting along the dotted lines.
3. Curl each petal and glue at the top of each stem on the previous page.
4. Hang it up, and enjoy your garden!

HOMEMADE LAVA LAMPS

Watch colors dance in your own homemade lava lamp!

activity

STEP 1: Fill a large mason jar $\frac{1}{3}$ full of water.

STEP 2: Add one color of food coloring until desired transparency is reached.

STEP 3: Fill the rest of the jar with cooking oil.

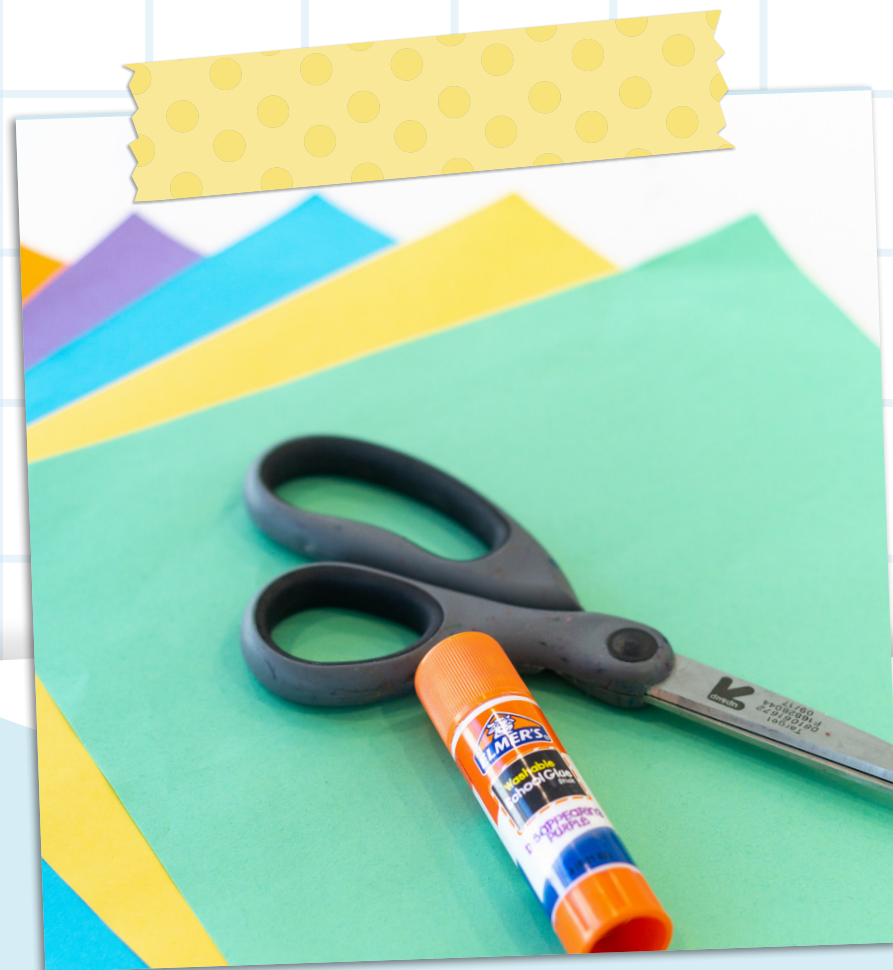

STEP 4: Add $\frac{1}{2}$ tablet of Alka-Seltzer to the jar, secure lid, and watch the colors dance!

3D HOT AIR BALLOON

These 3D hot air balloons are as fun to make as they are to look at!

activity

STEP 1: Gather colored paper, scissors, glue, and string.

STEP 2: Cut 3 hot air balloon shaped pieces of paper.

STEP 3: Fold each hot air balloon paper in half.

STEP 4: Glue one side to the hot air balloon to another until all are glued together as shown.

Continue to next page ...

3D HOT AIR BALLOON

(Starts on page 63)

activity

STEP 5: Glue onto a piece of blue paper.

STEP 6: Cut out a cloud for the ski and glue by hot air balloon

STEP 7: Add string and a small square piece of paper for a basket

STEP 8: Your 3D creation is ready for take-off!

CLOUD DOUGH

A team favorite. Our cloud dough recipe is ultra soft, smells great, and is easy to make!

activity

STEP 1: Gather together 2 cups corn starch, one cup hair conditioner (any brand), and any color food coloring.

STEP 2: In a large mixing bowl, combine corn starch and hair conditioner, and knead by hand until incorporated.

STEP 3: Add 5-6 drops food coloring to the kneaded dough, and knead again.

STEP 4: Once color is thoroughly incorporated, your dough is ready for play!

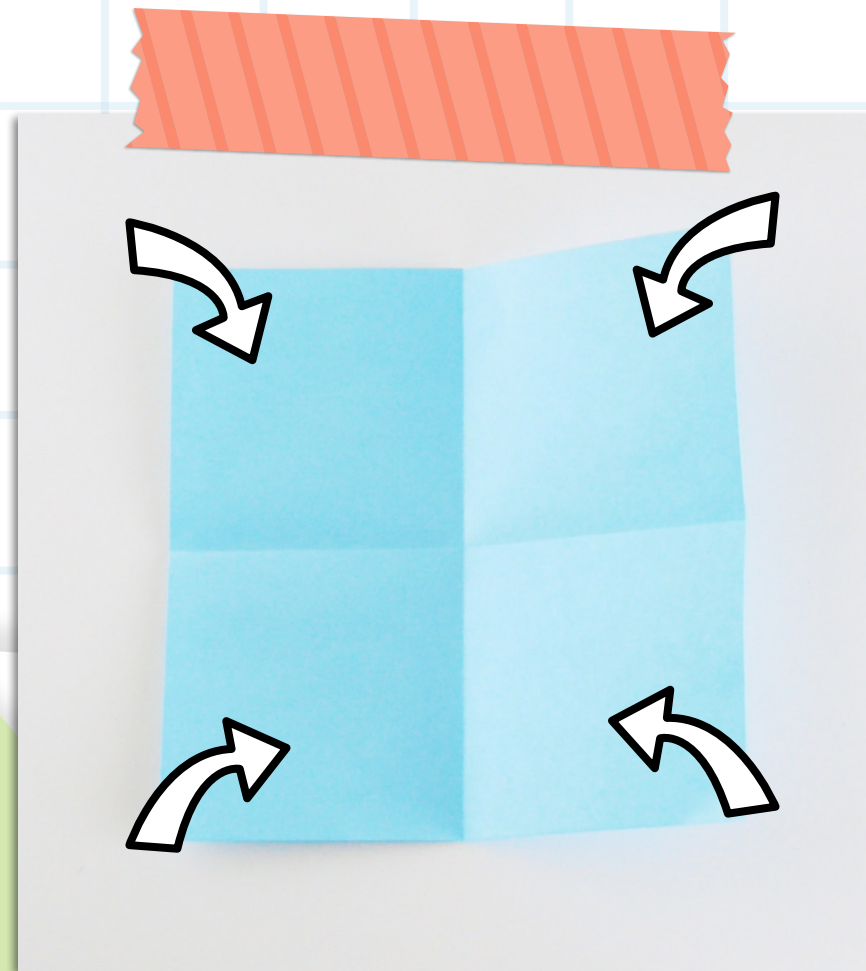

ORIGAMI FORTUNE TELLER

See into the future with this origami craft!

activity

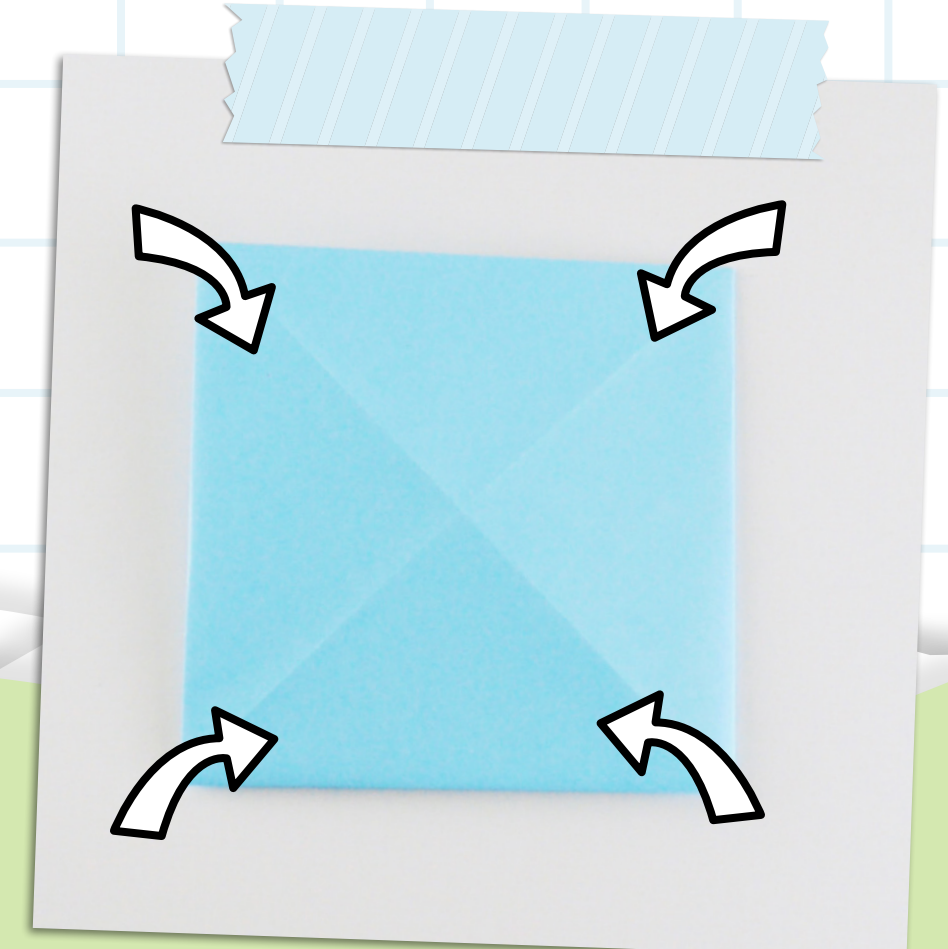

STEP 1: Start with a square piece of paper.

STEP 2: Fold square in half both directions and unfold.

STEP 3: Fold all four corners into the center so the corners are touching.

How to draw..

How to draw..

①.

Paint, color, or scribble a random shape.

②.

Using your imagination and the shape you just created as a guide, draw in a goofy face and silly body parts to create your Messy Monster!

The Creative Cookbook is designed to help children step away from the distractions of the world and channel their creativity.

Inside, you'll find activities curated to foster young minds through hands-on learning. Each page includes step-by-step instructions to help guide you and your child through each experience.

Thank you for using the Creative Cookbook as your recipe for creativity.
